1. Introduction

Woodland Crossing Community Development District (the “District” or “CDD”) is located entirely within unincorporated Sumter County (“County”), Florida. It is generally located along County Road 229, south of County Road 228, and north of State Road 44. The District contains approximately 154.69 acres and will consist of 534 residential lots with recreation/amenity areas, parks, and associated infrastructure for the development.

The CDD was established under the County’s ordinance O-24-06788, which was approved by the Sumter County Board of County Commissioners on 05-28-2024. The District will own and operate the public roadways and stormwater management facilities, as well as the landscape, irrigation, signage, and recreational facilities within the development.

The master developer (“Developer”) is Clayton Properties Group, Inc., which Florida division is based in Lakeland, Florida. The development is approved as a Planned Development (“PD”) for residential units to be constructed in two (2) phases over an estimated three (3) year period. A land use summary is presented in Table 1.1.

Public improvements and facilities financed, acquired, and/or constructed by the District will be designed and constructed to conform to regulatory criteria from the City of Wildwood (the “City”), the County, Southwest Florida Water Management District (“SWFWMD”), and other applicable agencies with regulatory jurisdiction over the development. An overall estimate of the probable cost of the public improvements is provided in Exhibit 7 of this report.

The Capital Improvement Plan (“CIP”) set forth in this Engineer’s Report reflects the present intentions of the District and the landowners. It should be noted that the location of the proposed facilities and improvements may be adjusted during the final design, permitting, and implementation phases. It should also be noted that these modifications are not expected to diminish the benefits to the property within the District. The District reserves the right to make reasonable adjustments to the development plan to meet applicable regulatory requirements of agencies with jurisdiction over the development while maintaining a comparable level of benefits to the lands served by the improvements. Changes and modifications are expected as changes in regulatory criteria are implemented.

Implementation of any proposed facilities or improvements outlined in this Report requires written approval from the District's Board of Supervisors. Estimated costs outlined in this report are based on the best available information, which includes but is not limited to previous experience with similar projects. Actual costs could be different than estimates as final engineering and specific field conditions may affect construction costs.

All roadway improvements including sidewalks in the right-of-way and storm drainage collection systems (from the curb inlets to their connection to the stormwater ponds) within the development will be maintained by the District. Water distribution and wastewater collection systems (gravity lines, force mains, and lift stations) will be dedicated to the City of Wildwood for ownership and maintenance upon completion.

2. Purpose and Scope

The purpose of this Report is to provide engineering support for the funding of the proposed improvements within the District. This report identifies the proposed public infrastructure to be constructed or acquired by the District along with an Opinion of Probable Construction Costs. The District will finance, construct, acquire, operate, and maintain all or specific portions of the proposed public infrastructure.

The predominant portion of this report provides descriptions of the proposed public infrastructure improvements, determination of estimated probable construction costs, and the corresponding benefits associated with the implementation of the described improvements. Detailed site construction plans and specifications have been completed and permitted for the improvements described herein. The engineer has considered and, in specific instances, has relied upon the information and documentation prepared or supplied by others to prepare this Engineer's Report.

3. The Development

The development will consist of 534 single-family residential units, and associated infrastructure. The overall development is a planned residential community consisting of 154.69 acres located along County Road 229, south of County Road 228, and north of State Road 44. It is located in unincorporated Sumter County. The zoning for the development is Residential Planned Unit Development. The future land use of the development is Urban Residential. The development will be constructed in two phases.

4. Capital Improvements

The CIP consists of public infrastructure in the development. The primary portions of the CIP will provide for stormwater pond construction, roadways built to an urban roadway typical section, water, and sewer facilities including three lift stations, and off-site improvements (including turn lanes and extension of water and sewer mains to serve the development).

Stormwater structures and conveyance culverts will be constructed within the CIP, which will outfall into the various on- site stormwater ponds. These structures and pond areas comprise the overall stormwater facilities of the CIP.

Installation of the water distribution and wastewater collection system (including lift stations) will also occur at this time. Below-ground installation of telecommunications and cable television will occur but will

not be funded by the District. The incremental cost of undergrounding power within the public rights-of-way or easements will be funded by the District.

As a part of the recreational component of the CIP, conservation areas will serve as passive parks within the development that are available to the public for utilization of the facilities. The recreational areas will have connectivity via sidewalks to the other portions of the District. The recreational areas will be open to the public and accessible by public roadways and sidewalks.

5. Capital Improvement Plan Components

The CIP for the District includes the following:

5.1 Stormwater Management Facilities

Stormwater management facilities consisting of storm conveyance systems and retention/detention ponds are contained within the District boundaries. Stormwater will be discharged via roadway curb and gutter and storm inlets. Storm culverts convey the runoff into the proposed retention ponds for water quality treatment and attenuation. The proposed stormwater systems will utilize dry retention and wet retention for biological pollutant assimilation to achieve water quality treatment. The design criteria for the District's stormwater treatment systems are regulated by the City, County, and SWFWMD.

Federal Emergency Management Agency Flood Insurance Rate Map (FEMA FIRM) Panel Number 12105C0390G, dated December 22, 2016, demonstrates that the property is located within Flood Zone X. Based on this information and the site topography, it appears that 100-year compensation will be located in areas where existing depressions will be impacted throughout the development and the 100-year flood volumes will be compensated as it is required by the County and FEMA.

During the construction of stormwater management facilities, utilities, and roadway improvements, the contractor will be required to adhere to a Stormwater Pollution Prevention Plan (SWPPP) as required by the Florida Department of Environmental Protection (FDEP) as delegated by the Environmental Protection Agency (EPA). The SWPPP will be prepared to depict the proposed recommended locations of required erosion control measures and staked turbidity barriers specifically along the downgradient side of any proposed construction activity. The site contractor will be required to provide the necessary reports as required by the National Pollutant Discharge Elimination System (NPDES) General Permit with erosion control, its maintenance, and any rainfall events that occur during construction activity.

5.2 Public Roadways

The proposed public roadway sections include a 24-foot roadway consisting of asphalt and with Miami curbs or Type F curb and gutter on both sides along with a 50-foot right-of-way. The proposed roadway section will consist of stabilized subgrade, a lime rock, crushed concrete, or cement-treated base and asphalt type roadway wearing surface. The proposed curb is to be 2-feet wide and placed along the edge of the proposed roadway section for purposes of protecting the integrity of the pavement and to provide stormwater runoff conveyance to the proposed stormwater inlets.

The proposed roadways will also require signage and pavement markings within the public rights-of-way, as well as street signs depicting street name identifications, and addressing, which will be utilized by the residents and public. As stated above, the District will fund roadway construction for all public roadways.

5.3 Water and Wastewater Facilities

A potable drinking water system inclusive of a water main, gate valves, fire hydrants, and appurtenances will be installed. The water service provider will be the City which will also own the facilities. The water system will be designed to provide an equally distributed system that provides redundancy to the system. These facilities will be installed within the proposed public rights-of-way and will provide potable drinking water (domestic) and fire protection services to serve the entire District.

A domestic wastewater collection system inclusive of gravity sanitary sewer mains and sewer laterals will be installed. The gravity sanitary sewer mains will be a minimum of eight (8)-inch diameter PVC pipe systems. The gravity sanitary sewer lines will be placed inside of the proposed public rights-of-way, under

the proposed paved roadways. Sewer laterals will branch off from these sewer lines to serve the development. Three lift stations are anticipated for this CIP. Flow from the lift stations shall be connected to a proposed force main that will pump to an existing force main that will connect to the City's or Sumter County's wastewater treatment facility. No water or sewer laterals will be placed within private lots or private property.

5.4 Off-Site Improvements

The District will provide funding for the anticipated turn lanes at the development entrances, which will be owned by Sumter County. Upon completion, the required inspections as well as final certifications of completions for the improvements will be obtained from the City, County, SWFWMD, and FDEP (water distribution and wastewater collection systems).

5.5 Amenities and Parks

The District will provide funding for an amenity center anticipated to include the following: parking areas, pavilion with restroom facilities, pool, all-purpose playfields, and walking trails to provide connectivity to the various amenity centers within the CDD. In addition, there will be passive parks throughout the development, which will include benches and walking trails. The amenities and parks will be available to the public.

5.6 Electric Utilities and Lighting

The electric distribution system through the District is currently planned to be underground. The District presently intends to fund and construct the incremental cost of undergrounding of the electric conduits, transformer/cabinet pads, and electric manholes required by SECO Energy ("SECO"). Electric facilities will be maintained by SECO after the dedication to the District, with SECO providing underground electrical service to the development.

5.7 Entry Feature

Landscaping, irrigation, entry features, and walls at the entrances and along the outside boundary of the development will be provided by the District. The development will not be gated. The irrigation system will use an irrigation well. The well and irrigation water mains for the development's various phases will be constructed and acquired by the CDD with District funds and operated and maintained by the CDD. Landscaping for the roadways will consist of sod, perennial flowers, shrubs, ground cover, and trees for the internal roadways within the CDD. Perimeter fencing will be provided at the site entrances and perimeters, which will be funded, owned, and maintained by the CDD.

5.8 Miscellaneous

The stormwater improvements, landscaping and irrigation, recreational improvements, street lighting, and certain permits and professional fees as described in this report are being financed by the District to benefit all the developable real property within the District. The construction and maintenance of the proposed public improvements will benefit the development for the intended use as a single-family/residential planned development.

5.9 Permitting

Construction permits for the development are required and include the City, County, SWFWMD, FDEP.

Following is a summary of required permits obtained or pending approval for the construction of the public infrastructure improvements for the District.

Table 5.1 Permit Status

PERMIT STATUS	
PERMITS/APPROVALS	PERMIT STATUS
Zoning Approval	Residential Planned Unit Development (RPUD)
Preliminary Plat	To Be Obtained
SWFWMD ERP	To Be Obtained
Construction Permits	Approved 5/14/24
FDEP Sanitary Sewer General Permit	Approved 11/19/24
FDEP Water Distribution General Permit	Approved 9/20/24
NOI	To Be Obtained

6. Recommendation

As previously described, the public infrastructure is necessary for the development and functional operation as required by the County. The site planning, engineering design, and construction plans for the infrastructure are in accordance with the applicable requirements of the City, County, SWFWMD, and FDEP. It should be noted that the infrastructure will provide its intended use and function provided the construction and installation are in substantial conformance with the design construction plans and regulatory permits.

Items utilized in the Opinion of Probable Costs of this report are based upon the proposed plan infrastructure as shown on construction drawings incorporating specifications in the most current SWFWMD, Sumter County, and the City regulations.

7. Report Modification

During the development and implementation of the designed public infrastructure improvements, it may be necessary to make modifications and/or deviations to the plans. However, if such deviations and/or revisions do not change the overall primary objective of the plan for such improvements, then the cost differences would not materially affect the proposed construction cost estimates.

8. Summary and Conclusion

The improvements as outlined are necessary for the functional development of the CDD. The CDD is being designed in accordance with current government regulatory requirements. The development will serve its intended function provided the construction is in substantial compliance with the design. Construction of the development is based upon current development plans.

9. Engineer's Certification

It is our professional opinion that the public infrastructure costs for the CIP provided in this report are reasonable to complete the construction of the public infrastructure improvements. Furthermore, the public infrastructure improvements will benefit and add value to lands within the District and the value is at least the same as the costs for said improvements. Assets will be purchased by the District at the lesser of fair market value or actual cost. All improvements financed by the District will be on land owned by, or subject to a permanent easement in favor of, the District or another governmental entity.

The Opinion of Probable Costs for the public infrastructure improvements is only an estimate and is not a guaranteed maximum price. The estimated costs are based upon current unit prices and on our experience with ongoing and similar projects and basis in the County and the City. However, labor market, future costs of equipment, materials, changes to the regulatory permitting agencies' activities, and the actual construction processes employed by the chosen site contractor are beyond the engineer's

control. Due to this inherent opportunity for changes (upward or downward) in the construction costs, the total, final construction cost may be more or less than this estimate.

Based upon the presumption that the CIP construction continues in a timely manner, it is our opinion that the costs of the CIP proposed represent a system of improvements benefitting all developable property located within the District, are fair and reasonable, and that the District-funded improvements are assessable improvements within the meaning of Chapter 190, F.S. We have no reason to believe that the CIP improvements cannot be constructed at the cost described in this report. We expect the improvements to be constructed or acquired by the District with bond proceeds, as indicated within this report. We believe that the District will be well served by the improvements discussed in this report.

I hereby certify that the foregoing is a true and correct copy of the engineer's report for the Woodland Crossing Community Development District.

1.0 Introduction

The Woodland Crossing Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the “District”), as amended. The District plans to issue \$14,165,000 of tax exempt bonds (the “Series 2025 Bonds” or “Bonds”) for the purpose of financing certain infrastructure improvements within the District consisting of Phase 1 of development within the District (herein “Assessment Area One”), more specifically described in the Engineer’s Report dated June 5, 2024, amended and restated January 23, 2025, prepared by Dewberry Engineers, Inc. as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of public infrastructure improvements consisting of improvements that benefit property owners within Assessment Area One of the District.

1.1 Purpose

This Supplemental Assessment Methodology Report for Assessment Area One (the “Supplemental Report”) supplements the Master Assessment Methodology dated June 11, 2024 (together the “Assessment Report”) and provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from a portion of the District’s capital improvement plan (“Assessment Area One Project”). This Assessment Report is designed to conform to the requirements of Chapters 170, 190, and 197, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District has imposed non ad valorem special assessments on the benefited lands within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Section 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 154.69 acres entirely within unincorporated Sumter County, Florida. Assessment Area One within the District envisions 296 residential units (herein the “Development Program”). The proposed Development Program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District that comprises the Assessment Area One Project will provide facilities that benefit certain property within the District, including Assessment Area One. The Assessment Area One Project is delineated in the Engineer's Report. Specifically, the District will construct and/or acquire certain offsite improvements, stormwater management, utilities (water & sewer), electrical undergrounding, roadway, general condition, parks, amenities, and open spaces, general consulting, and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the Assessment Area One Project.
2. The District Engineer determines the assessable acres that benefit from the District's Assessment Area One Project.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the Assessment Area One Project.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the Assessment Area One Project enables properties within the District's boundaries to be developed. Without the District's Assessment Area One Project, there would be no infrastructure to support development of land within Assessment Area One of the District. Without these improvements, development of the property within Assessment Area One of the District would be prohibited by law.

There is no doubt that the general public and property owners outside Assessment Area One of the District will benefit from the provision of the District's Assessment Area One Project. However, these benefits will be incidental to the District's Assessment Area One Project, which is designed solely to meet the needs of property within Assessment Area One of the District. Properties outside the District's Assessment Area One boundaries do not depend upon the District's Assessment Area

One Project. The property within Assessment Area One of the District is therefore receiving special benefits not received by property outside the District's Assessment Area One boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within Assessment Area One of the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Assessment Area One Project will cost approximately \$16,829,890. The District's Underwriter has determined that financing costs required to fund the infrastructure improvements, including project costs, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, are \$14,165,000. Additionally, funding required to complete the Assessment Area One Project which is not financed with Bonds will be funded by the developer(s) or through the issuance of an additional series of bonds. Without the Assessment Area One Project, the property would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District plans to issue \$14,165,000 in Bonds to fund a portion of the District's Assessment Area One Project, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Supplemental Report to allocate the \$14,165,000 in debt to the properties within the District benefiting from the Assessment Area One Project.

Table 1 identifies the proposed land uses as identified by the developer of the land within Assessment Area One of the District which will ultimately secure the Series 2025 Bonds. The District has relied on the Engineer's Report to develop the costs of the Assessment Area One Project needed to support the Development Program; these

construction costs are outlined in Table 2. The improvements needed to support the Development Program are described in detail in the Engineer's Report and are estimated to cost \$16,829,890. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for the Assessment Area One Project and related costs is projected by the District's Underwriter to total approximately \$14,165,000. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. The Assessment Area One Project funded by District Bonds benefits all developable acres within the District. The initial assessments will be levied on an equal basis to all acres within Assessment Area One within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the Assessment Area One within the District are benefiting from the improvements.

Once platting or the recording of declaration of condominium, ("Assigned Properties") has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis ("Unassigned Properties"). Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the planned 296 residential units within Assessment Area One of the District, which are the beneficiaries of the Assessment Area One Project, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the developer is required. The process is outlined in Section 3.0

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The Assessment Area One Project consists of offsite improvements, stormwater management, utilities (water & sewer), electrical undergrounding, roadway, general condition, parks, amenities, and open spaces, general consulting, and contingency. There are two residential product types within the planned development. The single family 50' product type has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). The Assessment Area One Project is reflected in Table 2. There may be other improvements constructed in Assessment Area One but not funded by the Series 2025 Bonds. It is contemplated that the developer will fund

these costs and may be reimbursed from a future bond issue. Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed Assessment Area One Project will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management, utilities (water & sewer), electrical undergrounding, roadway, general condition, parks, amenities, and open spaces, general consulting, and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of Assessment Area One Project, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is equal to, or in excess of, than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's Assessment Area One Project have been apportioned to the property

according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed Assessment Area One Project is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially allocate Series 2025 Assessments across the property within Assessment Area One of the District on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the

District prior to the time final Assigned Properties become known. At this time the debt associated with the District's Assessment Area One Project will be distributed evenly across the acres within Assessment Area One of the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.

WHEREAS, any capitalized term used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Woodland Crossing Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2025 Bonds. There are hereby authorized and directed to be issued: the Woodland Crossing Community Development District Special Assessment Bonds, Series 2025 (the "Series 2025 Bonds") in an aggregate principal amount not to exceed \$18,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2025 Project, (ii) making a deposit to the Series 2025 Reserve Account in an amount equal to the Series 2025 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2025 Bonds, and (iv) paying certain costs of issuance in respect of the Series 2025 Bonds. The Series 2025 Bonds shall be issued under and secured by the Indenture, the form of which by reference is hereby incorporated by reference into this resolution as if set forth in full herein.

Section 2. Details of the Series 2025 Bonds. The District hereby determines that the Series 2025 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chair of the Board of Supervisors (the "Chair") or any member of the Board of Supervisors designated by the Chair (a "Designated Member"), prior to the sale of said Series 2025 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. First Supplemental Indenture. The District hereby approves and authorizes the execution of the First Supplemental Indenture by the Chair or any Designated

Member and the Secretary or any Assistant Secretary of the Board of Supervisors (the "Secretary") and the delivery of the First Supplemental Indenture in substantially the form thereof attached hereto as Exhibit A, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of First Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2025 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2025 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2025 Bonds, including the pledge of Special Assessments as security for the Series 2025 Bonds, it is desirable to sell the Series 2025 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2025 Bonds, it is in the best interests of the District to sell the Series 2025 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2025 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2025 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2025 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached hereto as Exhibit B, and the sale of the Series 2025 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chair or a Designated Member are each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached hereto as Exhibit B with such changes, amendments, modifications, omissions and additions as may be approved by the Chair or the Designated Member; provided, however,

(i) Any optional redemption of the Series 2025 Bonds will be determined at pricing of the Series 2025 Bonds;

(ii) The interest rate on the Series 2025 Bonds shall not exceed the maximum statutory rate (calculated under Section 215.84(3), Florida Statutes, as amended);

(iii) The aggregate principal amount of the Series 2025 Bonds shall not exceed \$18,000,000;

(iv) The Series 2025 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty (30) years of principal amortization; and

(v) The price at which the Series 2025 Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Series 2025 Bonds, exclusive of original issue discount.

Execution by the Chair or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached hereto as Exhibit C and authorizes its distribution and use in connection with the limited offering for sale of the Series 2025 Bonds. The preparation of a final Limited Offering Memorandum relating to the Series 2025 Bonds (the "Limited Offering Memorandum") is hereby approved and the Chair or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2025 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2025 Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached hereto as Exhibit C, with such changes as shall be approved by the Chair or Designated Member as necessary to conform the details of the Series 2025 Bonds and such other insertions, modifications and changes as may be approved by the Chair or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chair or Designated Member shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2025 Bonds. The Chair is further authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, in the form as mailed, and in furtherance thereof to execute the Rule 15c2-12 Certificate evidencing the same substantially in the forms attached hereto as Exhibit D.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of the Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an "Obligated Person" under the Continuing Disclosure Agreement, by the Chair or a Designated Member substantially in the form presented to this meeting and attached hereto as Exhibit E, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure

Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Bond Proceeds. The proceeds of the Series 2025 Bonds shall be applied in the manner required in the First Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chair, the Secretary and each member of the Board of Supervisors of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2025 Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Series 2025 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2025 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution, including changing the series designation or the dated date of any and all documents on behalf of the District which are necessary and desirable in connection with the issuance of the Series 2025 Bonds. In the event that the Chair or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. Execution by the Chair or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution and the issuance of the Series 2025 Bonds, whether heretofore, or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Public Meetings. It is hereby found and determined that all formal actions of the District concerning and relating to the adoption of this Resolution and the consummation of the transactions contemplated by this Resolution were adopted in open meetings of the District, pursuant to all applicable laws and orders, and that all deliberations of the District that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Section 13. Effective Date. This Resolution shall take effect immediately upon its adoption.

SECTION 2.07. Book-Entry Form of Series 2025 Bonds. The Series 2025 Bonds shall be issued as one fully registered bond for each maturity of Series 2025 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants.

Such agreement may be terminated at any time by either DTC or the Issuer in accordance with the procedures of DTC. In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2025 Bonds in the form of fully registered Series 2025 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2025 Bonds may be exchanged for an equal aggregate principal amount of Series 2025 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

ARTICLE III REDEMPTION OF SERIES 2025 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2025 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2025 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2025 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2025 Bonds or portions of the Series 2025 Bonds to be redeemed by lot. Partial redemptions of Series 2025 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2025 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2025 Bond.

The Series 2025 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2025 Bonds shall be made on the dates specified below. Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

(a) Optional Redemption. The Series 2025 Bonds are subject to redemption prior to maturity at the option of the Issuer, in whole or in part, on any date on or after May 1, 20__ (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption

Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of Series 2025 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of this First Supplemental Trust Indenture, together with any excess moneys transferred by the Trustee from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount as a result of such Prepayment and pursuant to Sections 4.01(f) and 4.05(a) of this First Supplemental Trust Indenture. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts regarding the Series 2025 Bonds held by the Trustee hereunder (other than the Series 2025 Rebate Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account in accordance with the provisions of Section 4.01(a) hereof, not otherwise reserved to complete the Series 2025 Project and transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of Section 4.01(a) hereof, as a result of the reduction of the Series 2025 Reserve Requirement. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(c) Mandatory Sinking Fund Redemption. The Series 2025 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

ARTICLE IV
ESTABLISHMENT OF CERTAIN FUNDS AND ACCOUNTS;
ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS;
REMOVAL OF SERIES 2025 SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2025 Acquisition and Construction Account." Net proceeds of the Series 2025 Bonds shall initially be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2025 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in this Section 4.01(a), Section 5.01 of the Master Indenture, and by the District as set forth in the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2025 Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Series 2025 Project, subject to Sections 3.01(b)(iii), 4.01(f) and 5.06 herein. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2025 Reserve Account in excess of the Series 2025 Reserve Requirement, as applicable and as calculated by the District, who shall be responsible for certifying to the Trustee in writing that such Reserve Release Conditions #1 or Reserve Release Conditions #2 were satisfied, shall then be transferred by the Trustee to the Series 2025 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in this Section 4.01(a). The Trustee shall have no duty to review if either Reserve Release Conditions #1 or Reserve Release Conditions #2 have been satisfied.

Following the Completion Date of the Series 2025 Project, all moneys remaining in the Series 2025 Acquisition and Construction Account that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #1 and #2, shall be transferred to the Series 2025 General Redemption Subaccount, as directed in writing by the District Manager, on behalf of the Issuer to the Trustee to be applied as provided in Section 3.01(b)(iii) hereof. Notwithstanding the foregoing, the Series 2025 Acquisition and Construction Account shall not be closed until after the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2025 Reserve Account shall have been transferred to the Series 2025 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with this Section 4.01(a) or as otherwise provided in Section 4.01(f) hereinbelow. The Trustee shall not be responsible for determining the amount in the Series 2025 Acquisition and Construction Account allocable to the Series 2025 Project or any transfers made to such Account in accordance with direction from the District Manager as provided for herein.

The Trustee shall make no such transfer from the Series 2025 Acquisition and Construction Account to the Series 2025 General Redemption Subaccount if an Event of Default exists with respect to the Series 2025 Bonds of which the Trustee has actual notice as described

in Section 11.06 of the Master Indenture. Except as provided in Section 3.01(b)(iii) or Section 5.06 hereof, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Series 2025 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2025 Acquisition and Construction Account, such Account shall be closed.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2025 Costs of Issuance Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2025 Costs of Issuance Account to pay the costs of issuing the Series 2025 Bonds. Six months after the issuance of the Series 2025 Bonds, any moneys remaining in the Series 2025 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2025 Interest Account and the Series 2025 Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Series 2025 Bonds shall be paid from excess Series 2025 Pledged Revenues on deposit in the Series 2025 Revenue Account as provided in Section 4.02 FIFTH. After no funds remain therein, the Series 2025 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2025 Revenue Account." Series 2025 Special Assessments (except for Prepayments of Series 2025 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2025 Special Assessments otherwise received by the Trustee are to be deposited into the Series 2025 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2025 Interest Account." Moneys deposited into the Series 2025 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2025 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2025 Sinking Fund Account." Moneys shall be deposited into the Series 2025 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Series 2025 Reserve Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this First Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2025 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2025 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Series 2025 Reserve Requirement resulting from investment earnings to the Series 2025 Acquisition and Construction Account and if such Account is closed, to the Series 2025 Revenue Account in accordance with Section 6.05 of the Master Indenture.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that any landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds are less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached hereto as

Exhibit C to the Issuer submitted by the Series 2025 Landowner within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Series 2025 Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the Series 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Series 2025 Landowner, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2025 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2025 General Redemption Subaccount and applied to the redemption of Series 2025 Bonds as provided in Section 4.01(a) hereinabove.

In addition, and together with the moneys transferred from the Series 2025 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2025 General Redemption Subaccount, is not sufficient to redeem a principal amount of the Series 2025 Bonds in an Authorized Denomination, the Trustee is authorized upon written direction of the District, to withdraw amounts from the Series 2025 Revenue Account to round up to the amount in the Series 2025 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2025 Revenue Account shall be made to pay interest on and/or principal of the Series 2025 Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2025 Bond Redemption Account" and within such Account, a "Series 2025 General Redemption Subaccount," a "Series 2025 Optional Redemption Subaccount," and a "Series 2025 Prepayment Subaccount." Except as otherwise provided in this First Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2025 Bonds, moneys to be deposited into the Series 2025 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2025 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2025 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2025 Bonds, or (ii) in whole or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2025 Prepayment Subaccount (including all earnings on investments held in such Series 2025 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Subaccount of the

Series 2025 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Series 2025 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2025 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2025 Bonds in an Authorized Denomination, the Trustee upon written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2025 Revenue Account to deposit to the Series 2025 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2025 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2025 Bonds for the redemption pursuant to Section 3.01(b)(i) hereof if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2025 Rebate Account." Moneys shall be deposited into the Series 2025 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2025 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2025 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2025 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing May 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 2026, to the Series 2025 Sinking Fund Account, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Requirement for the Series 2025 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment

Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2025 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless needed to be transferred to the Series 2025 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2025 Bond subject to extraordinary mandatory redemption pursuant to Sections 4.01(f) or 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Account, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Series 2025 Indenture and to pledge the Series 2025 Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Series 2025 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds, except as otherwise permitted under the Master Indenture and in Section 5.04 hereof. The Series 2025 Bonds and the provisions of the Series 2025 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law and without waiving any sovereign immunity or limitation of liability afforded by Section 768.28, Florida Statutes, or other law, defend, preserve and protect the pledge created by the Series 2025 Indenture and all the rights of the Beneficial Owners of the Series 2025 Bonds under the Series 2025 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2025 Project to Conform to the Engineer's Report. Simultaneously with the issuance of the Series 2025 Bonds, the Issuer will promptly proceed to construct and/or acquire the Series 2025 Project, as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2025 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the

next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2025 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2025 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2025 Reserve Account will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this First Supplemental Trust Indenture of Series 2025 Bonds, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount, as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the Series 2025 Reserve Requirement.

(b) Upon receipt of Series 2025 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2025 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2025 Special Assessments. The Series 2025 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes (the "Uniform Method"), unless the District determines that it is in its best interests to collect directly. The Series 2025 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interests to do so. Prior to any Event of Default, the election to collect and enforce Series 2025 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2025 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2025 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2025 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2025 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2025 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2025 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The applicable assessment methodology report shall not be materially amended without the written consent of the Majority Holders, which consent shall be deemed given if no response is received within sixty (60) days of a written request therefor.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the Series 2025 Landowner have executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. In addition, the Issuer covenants not to issue any other Bonds or debt obligations, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2025 Special Assessments, until such time as the Series 2025 Special Assessments are

Substantially Absorbed or the Majority Holder has consented in writing. The District shall present the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2025 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the Issuer from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Series 2025 Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2025 Project.

SECTION 5.05. Requisite Owners for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires greater than 50% (fifty percent) of the Owners, shall in each case be deemed to refer to, and shall mean, the Majority Holders.

SECTION 5.06. Acknowledgement Regarding the Moneys in the Series 2025 Acquisition and Construction Account Following an Event of Default. In accordance with the provisions of the Series 2025 Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues and any other moneys held by the Trustee under the Series 2025 Indenture for such purpose. Anything in the Series 2025 Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, the Series 2025 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, and that upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Series 2025 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Series 2025 Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2025 Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Extraordinary Mandatory Redemption in Whole or in Part

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of Series 2025 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of the First Supplemental Trust Indenture, together with any excess moneys transferred by the Trustee from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount as a result of such Prepayment and pursuant to Sections 4.01(f) and 4.05(a) of the First Supplemental Trust Indenture. If such redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

FORM OF BOND PURCHASE CONTRACT

**WOODLAND CROSSING COMMUNITY DEVELOPMENT DISTRICT
(SUMTER COUNTY, FLORIDA)**

**\$[_____]]
SPECIAL ASSESSMENT BONDS, SERIES 2025**

BOND PURCHASE CONTRACT

[_____] , 2025

Board of Supervisors
Woodland Crossing Community Development District
Sumter County, Florida

Dear Board of Supervisors:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with Woodland Crossing Community Development District (the "District"). The District is located entirely within unincorporated Sumter County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 4:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of Woodland Crossing Community Development District Special Assessment Bonds, Series 2025 (the "Series 2025 Bonds"). The Series 2025 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2025 Bonds shall be \$[_____] (representing the \$[_____] .00 aggregate principal amount of the Series 2025 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____]). The payment for and delivery of the Series 2025 Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the "Closing."

2. The Series 2025 Bonds. The Series 2025 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the "Act"), and by Ordinance No. 2024-18 duly enacted by the Board of County Commissioners of Sumter County on May 28, 2024, which became effective on May 31, 2024 (the "Ordinance"). The Series 2025 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of [_____] 1, 2025 (the "Master Indenture"), as amended and supplemented by a First Supplemental Trust Indenture dated as of [_____] 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolution Nos. 2024-27 and 2025-[_____] adopted by

the Board on June 11, 2024 and [February 20], 2025, respectively (collectively, the "Bond Resolution"). The Series 2025 Special Assessments, constituting the Series 2025 Pledged Revenues for the Series 2025 Bonds, will have been, or will be prior to the time of Closing, levied by the District on the lands within the District specially benefited by the Series 2025 Project pursuant to the Assessment Resolutions (as such terms are defined in the Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2025 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2025 Bonds, that the entire principal amount of the Series 2025 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2025 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2025 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2025 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Series 2025 Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2025 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2025 Bonds of that maturity or until all Series 2025 Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Series 2025 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2025 Bonds.

(c) The Underwriter confirms that it has offered the Series 2025 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2025 Bonds, if any, for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2025 Bonds, the Underwriter will neither offer nor sell unsold Series 2025 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Series 2025 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2025 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2025 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2025 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2025 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2025 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2025 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2025 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2025 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2025 Bonds to the public, the agreement of each dealer

who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2025 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2025 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2025 Bonds.

(f) The Underwriter acknowledges that sales of any Series 2025 Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2025 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2025 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2025 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2025 Bonds to the public),

(iii) a purchaser of any of the Series 2025 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date

hereof, authorized the use of the Preliminary Limited Offering Memorandum by the Underwriter in connection with the limited offering of the Series 2025 Bonds. The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The Underwriter agrees that it will not confirm the sale of any Series 2025 Bonds unless a final written confirmation of sale is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum. The District hereby approves the circulation and use by the Underwriter of the Limited Offering Memoranda with respect to the Series 2025 Bonds.

On the Closing Date, all conditions precedent to the issuance of the Series 2025 Bonds set forth in the Indenture will have been complied with or fulfilled;

(n) The District has not and is not now in default in the payment of the principal of or the interest on any governmental security issued or guaranteed by it after December 31, 1975 which would require the disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indenture, and (e) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (e) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Series 2025 Bonds have been fulfilled.

4. **Validation** – The Series 2025 Bonds have been validated by a final judgment of the Circuit Court in and for Sumter County, Florida, of which no timely appeals were filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Series 2025 Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the

execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. ***PLOM and LOM*** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments" (as to the first two paragraphs thereof), "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "THE DEVELOPMENT – Development Manager and Landowner Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Series 2025 Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based upon inquiry of the District's Registered Agent for service of process and the fact that said Registered Agent has not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Series 2025 Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Series 2025 Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Series 2025 Bonds or the validity or enforceability of the Series 2025 Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Series 2025 Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Series 2025 Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Series 2025 Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake Series 2025 Project*** – The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Series 2025 Project,

subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto; and (5) the continued application of the legislative determinations of the District's Board of Supervisors. Re: \$[_____] Woodland Crossing Community Development District Special Assessment
 Bonds, Series 2025 (the "Series 2025 Bonds")

Ladies and Gentlemen:

I am counsel to Clayton Properties Group, Inc., a Tennessee corporation (the "Development Manager"), which is the development manager for certain land located in Sumter County, Florida and being developed as a residential community to be known as "Woodland Crossing," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Development Manager Landowner in connection with the issuance by the Woodland Crossing Community Development District (the "District") of the above-referenced Bonds, as further described in the District's Preliminary Limited Offering Memorandum dated [____], 2025 and the District's final Limited Offering Memorandum, dated [____], 2025, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda.

It is my understanding that the Series 2025 Bonds are being issued for the purposes of: (i) providing funds to pay a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2025 Project, (ii) funding a deposit to the Series 2025 Reserve Account in the amount of the Series 2025 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2025 Bonds and (iv) paying the costs of issuance of the Series 2025 Bonds.

In my capacity as counsel to the Development Manager, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Continuing Disclosure Agreement to be dated as of the Closing Date (the "Continuing Disclosure Agreement"), by and among the District, the Development Manager, Domain Timberlake Multistate, LLC (the "Landowner"), and Governmental Management Services – Central Florida, LLC, as dissemination agent, the Agreement by and between the District and the Development Manager Regarding the Completion of District

Improvements dated as of the Closing Date (the "Completion Agreement"), the Agreement by and between the District and the Development Manager Regarding the Acquisition of Work Product, Improvements, and Real Property dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights by and between the District, the Development Manager [and the Landowner] dated as of the Closing Date (the "Collateral Assignment"), [the Agreement by and between the District and the Landowner Regarding the True-Up and Payment of Assessments dated as of the Closing Date (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of the District, Imposition of Special Assessments dated as of the Closing Date and executed by the Landowner (the "Declaration of Consent")] (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined (i) the By-Laws of the Development Manager dated as of September 1, 1988, (ii) the Development Manager's corporate Charter filed on September 1, 1988, and (iii) certificates of good standing issued by the State of Tennessee and the State of Florida on [_____, 2025] and [_____, 2025], respectively (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Development Manager) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of the Development Manager, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Development Manager Landowner is a corporation organized and existing under the laws of the State of Tennessee and duly authorized to transact business in the State of Florida.

2. The Development Manager has the power to conduct its business and to undertake the funding of the development of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.

3. The Documents have been duly authorized, executed and delivered by the Development Manager and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Development Manager, enforceable in accordance with their respective terms.

4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE LANDOWNER AND THE DEVELOPMENT MANAGER – The Development Manager," "LITIGATION – The Development Manager" and "CONTINUING DISCLOSURE" (as it relates to the Development Manager only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Documents by the Development Manager do not violate (i) the Organizational Documents of the Development Manager, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Development Manager is a party or by which any of the Development Manager's assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Development Manager or its assets.

6. Nothing has come to my attention that would lead me to believe that the Development Manager is not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Development Manager has not received all government permits, consents and licenses required in connection with the construction and completion of the development of the Series 2025 Project and the lands in Assessment Area One as described in the Limited Offering Memoranda; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Development Manager's ability to complete development of the Series 2025 Project and the lands in Assessment Area One as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the Series 2025 Project or the development of the lands in Assessment Area One as described in the Limited Offering Memoranda will not be obtained in due course as required by the Development Manager.

7. To the best of my knowledge after due inquiry, the levy of the Series 2025 Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Development Manager is a party or to which the Development Manager or any of its property or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending which would prevent or prohibit the development of the Series 2025 Project or the lands in Assessment Area One in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the business, properties, assets or financial condition of the Development Manager.

9. To the best of my knowledge after due inquiry, the Development Manager has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Development Manager has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Development Manager is in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets are subject, which default would have a material adverse effect on the Series 2025 Bonds or the development of the Series 2025 Project or the lands in Assessment Area One.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is

expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

Re: \$[_____] Woodland Crossing Community Development District Special Assessment
 Bonds, Series 2025 (the "Series 2025 Bonds")

Ladies and Gentlemen:

I am counsel to Domain Timberlake Multistate, LLC, a Delaware limited liability company (the "Landowner"), which is the landowner of certain land located in Sumter County, Florida and being developed as a residential community to be known as "Woodland Crossing," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Landowner in connection with the issuance by the Woodland Crossing Community Development District (the "District") of the above-referenced Bonds, as further described in the District's Preliminary Limited Offering Memorandum dated [____], 2025 and the District's final Limited Offering Memorandum, dated [____], 2025, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda.

It is my understanding that the Series 2025 Bonds are being issued for the purposes of: (i) providing funds to pay a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2025 Project, (ii) funding a deposit to the Series 2025 Reserve Account in the amount of the Series 2025 Reserve Requirement, (iii) paying a portion of the interest coming due on the Series 2025 Bonds and (iv) paying the costs of issuance of the Series 2025 Bonds.

In my capacity as counsel to the Landowner, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Continuing Disclosure Agreement to be dated as of the Closing Date (the "Continuing Disclosure Agreement"), by and among the District, Clayton Properties Group, Inc. (the "Development Manager"), the Landowner, and Governmental Management Services – Central Florida, LLC, as dissemination agent, [the Agreement by and between the District, the Development Manager and the Landowner Regarding the Acquisition of Work Product,

Improvements, and Real Property dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights by and between the District, the Development Manager and the Landowner dated as of the Closing Date (the "Collateral Assignment"), the Agreement by and between the District and the Landowner Regarding the True-Up and Payment of Assessments dated as of the Closing Date (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of the District, Imposition of Special Assessments dated as of the Closing Date and executed by the Landowner (the "Declaration of Consent") (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined (i) the Certificate of Formation of the Landowner dated as of [____], (ii) the Landowner's Operating Agreement dated as of [____], and (iii) certificates of good standing issued by the State of Delaware and the State of Florida on [____, 20__] and [____, 20__], respectively (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Landowner) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of Landowner, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

11. The Landowner is a limited liability company organized and existing under the laws of the State of Delaware and duly authorized to transact business in the State of Florida.

12. The Landowner has the power to conduct its business and to undertake the funding of the development of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.

13. The Documents have been duly authorized, executed and delivered by the Landowner and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Landowner, enforceable in accordance with their respective terms.

14. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE LANDOWNER AND THE DEVELOPMENT MANAGER – The Landowner," "LITIGATION – The Landowner" and "CONTINUING DISCLOSURE" (as it relates to the Landowner only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.

15. The execution, delivery and performance of the Documents by the Landowner do not violate (i) the Organizational Documents of the Landowner, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Landowner is a party or by which any of the Landowner's assets are or may be bound; or (iii) to my knowledge, any judgment,

decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Landowner or its assets.

16. To the best of my knowledge after due inquiry, the levy of the Series 2025 Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Landowner is a party or to which the Landowner or any of its property or assets are subject.

17. To the best of my knowledge after due inquiry, there is no litigation pending which would prevent or prohibit the development of the Series 2025 Project or the lands in Assessment Area One in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the business, properties, assets or financial condition of the Landowner.

18. To the best of my knowledge after due inquiry, the Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

19. To the best of my knowledge after due inquiry, the Landowner is in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets are subject, which default would have a material adverse effect on the Series 2025 Bonds or the development of the Series 2025 Project or the lands in Assessment Area One.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

LIMITED OFFERING MEMORANDUM

WOODLAND CROSSING COMMUNITY DEVELOPMENT DISTRICT (SUMTER COUNTY, FLORIDA)

\$14,165,000* SPECIAL ASSESSMENT BONDS, SERIES 2025

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover and appendices hereto, is to provide certain information in connection with the issuance and sale by Woodland Crossing Community Development District (the "District" or the "Issuer") of its \$14,165,000* aggregate principal amount of Special Assessment Bonds, Series 2025 (the "Series 2025 Bonds").

PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF AND/OR INTEREST ON THE SERIES 2025 BONDS. THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. SEE "SUITABILITY FOR INVESTMENT" AND "BONDOWNERS' RISKS" HEREIN.

The District is a local unit of special-purpose government of the State of Florida (the "State"), created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2024-18 duly enacted by the Board of County Commissioners of Sumter County, Florida (the "County") on May 28, 2024, which became effective on May 31, 2024 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands (as defined herein). The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District encompasses approximately 154.69 gross acres in unincorporated Sumter County (the "District Lands"). The District Lands are located along County Road 229, north of State Road 44 and approximately one mile east of Interstate-75. For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein.

The District Lands are being developed as a residential community to be known as "[Woodland Crossing]" (the "Development"). At buildout, the Development is planned to contain 534 residential units,

* Preliminary, subject to change.

together with recreation and amenity areas, parks, and associated infrastructure. See "THE DEVELOPMENT" herein for more information.

The District Lands are being developed in phases. The first phase of land development consists of approximately 93.42 acres, which are planned to contain 296 lots ("Assessment Area One"). The remaining 238 lots will be developed in the future. The portion of the District's Capital Improvement Plan (as defined herein) associated with the development of Assessment Area One is referred to herein as the "Series 2025 Project." See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2025 PROJECT" herein for more information.

The Series 2025 Bonds are being issued to finance a portion of the Series 2025 Project. The Series 2025 Bonds will be secured by the Series 2025 Special Assessments, which will initially be levied on the approximately 93.42 acres of land within Assessment Area One. As lots are platted therein, the Series 2025 Special Assessments will be assigned to platted lots on a first platted, first assigned basis as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

It is anticipated that the District will issue one or more additional series of bonds to finance the remaining public infrastructure improvements for the District. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Bonds" herein for more information.

Domain Timberlake Multistate, LLC, a Delaware limited liability company (the "Landowner" or the "Series 2025 Landowner"), is the owner of [all] of the assessable land in the District, including the land within Assessment Area One. The Landowner has entered into the Construction Agreement (as defined herein) with Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway (the "Development Manager"), pursuant to which the Development Manager will manage the installation of infrastructure improvements in the District. In addition, the Landowner has entered into the Option Agreement (as defined herein) with the Development Manager, pursuant to which the Development Manager has the option to purchase all of the developed lots in the District in a series of takedowns. Following acquisition of such lots, the Development Manager is expected to construct residential units within the District for sale to purchasers. "THE DEVELOPMENT – Land Acquisition and the Option Agreement" and "THE LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

The Series 2025 Bonds are being issued pursuant to the Act, Resolution No. 2024-27 and Resolution No. 2025-[] adopted by the Board of Supervisors (the "Board") of the District on June 11, 2024 and [February 20], 2025 (collectively, the "Resolution"), and a Master Trust Indenture dated as of [] 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as [] 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2025 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2025 Project, (ii) funding a deposit to the Series 2025 Reserve Account in the amount of the Series 2025 Reserve Requirement (each as defined herein), (iii) paying a portion of the interest coming due on the Series 2025 Bonds and (iv) paying the costs of issuance of the Series 2025 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2025 Bonds are payable from and secured solely by the Series 2025 Pledged Revenues. The Series 2025 Pledged Revenues for the Series 2025 Bonds consist of (a) all revenues received by the District from Series 2025 Special Assessments (as defined herein) levied and collected on the assessable lands within the District, benefitted by the Series 2025 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Account and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

Set forth herein are brief descriptions of the District, the Series 2025 Project, Assessment Area One, the Development Manager, the Landowner and the Development, together with summaries of terms of Series 2025 Bonds, the Indenture, and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and the Act and all references to the Series 2025 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. Proposed forms of the Master Indenture and the First Supplemental Indenture appear as APPENDIX B attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2025 BONDS

General Description

The Series 2025 Bonds are being issued only in fully registered form, in denominations of \$5,000 or any integral multiples thereof (an "Authorized Denomination"). The Series 2025 Bonds will initially be sold only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

The Series 2025 Bonds shall be dated as of the date of initial delivery. Interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means May 1 and November 1 of each year, commencing May 1, 2025. Interest on the Series 2025 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to May 1, 2025, in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Series 2025 Bonds. Interest on the Series 2025 Bonds will be computed in all cases on the basis of a 360-day year consisting of twelve 30-day months.

Upon initial issuance, the Series 2025 Bonds shall be issued as one fully registered bond for each maturity of Series 2025 Bonds and deposited with The Depository Trust Company ("DTC"), which is responsible for establishing and maintaining records of ownership for its participants. As long as the Series 2025 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2025 Bonds ("Beneficial Owners"). Principal and interest on the Series 2025 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Series 2025 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Series 2025 Bonds, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor, and after such time the Series 2025 Bonds may be exchanged for an equal aggregate principal amount of such Series 2025 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "– Book-Entry Only System" herein.

U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Series 2025 Bonds.

Redemption Provisions

Optional Redemption

The Series 2025 Bonds are subject to redemption prior to maturity at the option of the District, in whole or in part, on any date on or after May 1, 20__ (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

[Remainder of page intentionally left blank.]

Mandatory Sinking Fund Redemption

Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the

mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account following the payment in whole or in part of Series 2025 Special Assessments on any assessable property within [the District] in accordance with the provisions of First Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount as a result of such Prepayment and pursuant to the First Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts regarding the Series 2025 Bonds held by the Trustee under the First Supplemental Indenture (other than the Series 2025 Rebate Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture, not otherwise reserved to complete the Series 2025 Project and transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the First Supplemental Indenture, as a result of the reduction of the Series 2025 Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

"Quarterly Redemption Date" shall mean each February 1, May 1, August 1, and November 1 of any calendar year.

Notice of Redemption

When required to redeem or purchase Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Series 2025 Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit

of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2025 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2025 Sinking Fund Account to the purchase of the Series 2025 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Placement Agent make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect

Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds within a series or maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Series 2025 Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Series 2025 Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2025 Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Series 2025 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2025 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2025 Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository) pursuant to the procedures of DTC. In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds are payable from and secured solely by the Series 2025 Pledged Revenues. The Series 2025 Pledged Revenues for the Series 2025 Bonds consist of (a) all revenues received by the District from Series 2025 Special Assessments levied and collected on the assessable lands within the District, benefitted by the Series 2025 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Account and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge

of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The "Series 2025 Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within Assessment Area One specially benefited by the Series 2025 Project, or any portions thereof, pursuant to Section 190.022 of the Act, Chapters 170 and 197, Florida Statutes, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but constitute a lien against the land as to which the Series 2025 Special Assessments are imposed, including homestead property as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Special Assessments will constitute a lien against the land as to which the Series 2025 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Series 2025 Special Assessments will initially be levied on the approximately 93.42 gross acres of land within Assessment Area One of the District, which are planned to contain 296 lots.

The Series 2025 Special Assessments are levied in an amount corresponding to the debt service on the Series 2025 Bonds on the basis of benefit received by the assessable lands within Assessment Area One as a result of the Series 2025 Project. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2025 Special Assessments to the assessable lands within Assessment Area One, is included as APPENDIX D attached hereto.

In the Master Indenture, the District will covenant that, if any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from any legally available moneys, which shall be deposited into the Series 2025 Revenue Account. In the case such second Series 2025 Special Assessment shall be annulled, the District shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

Prepayment of Series 2025 Special Assessments

The Assessment Proceedings provide that an owner of property subject to the Series 2025 Special Assessments may prepay the entire remaining balance of such Series 2025 Special Assessments at any time, or a portion of the remaining balance of such Series 2025 Special Assessment one time, if there is also paid, in addition to the prepaid principal balance of the Series 2025 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2025 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Series 2025 Special Assessments does not entitle the property owner to any discounts for early payment.

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2025 Special Assessments may pay the entire balance of the Series 2025 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2025 Project has been completed, and the Board has adopted a resolution accepting the Series 2025 Project pursuant to Chapter 170.09, Florida Statutes. The Landowner, as the [sole] owner of the assessable property in Assessment Area One

within the District, will waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Series 2025 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2025 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Series 2025 Special Assessments by property owners.

Additional Bonds

In the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2025 Special Assessments, until such time as the Series 2025 Special Assessments are Substantially Absorbed or the Majority Holder has consented in writing. "Substantially Absorbed" means the date at least 75% of the principal portion of the Series 2025 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed, and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2025 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Series 2025 Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2025 Project.

The District, subject to the limitations set forth in the preceding paragraph, and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2025 Special Assessments without the consent of the Owners of the Series 2025 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2025 Special Assessments on the same lands upon which the Series 2025 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein.

Acquisition and Construction Account

The Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2025 Acquisition and Construction Account." Net proceeds of the Series 2025 Bonds shall initially be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in the First Supplemental Indenture, together with any moneys subsequently transferred or

deposited thereto, including moneys transferred from the Series 2025 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 (each as defined herein) as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in the Indenture, and by the District as set forth in the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2025 Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Series 2025 Project, subject to the provisions of the First Supplemental Indenture. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2025 Reserve Account in excess of the Series 2025 Reserve Requirement, as applicable and as calculated by the District, who shall be responsible for certifying to the Trustee in writing that such Reserve Release Conditions #1 or Reserve Release Conditions #2 were satisfied, shall then be transferred by the Trustee to the Series 2025 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in the First Supplemental Indenture. The Trustee shall have no duty to review if either Reserve Release Conditions #1 or Reserve Release Conditions #2 have been satisfied. See "-Reserve Account" herein for more information on the Reserve Release Conditions #1 or Reserve Release Conditions #2.

Following the Completion Date of the Series 2025 Project, all moneys remaining in the Series 2025 Acquisition and Construction Account that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #1 and #2, shall be transferred to the Series 2025 General Redemption Subaccount, as directed in writing by the District Manager, on behalf of the District, to the Trustee to be applied as provided in the First Supplemental Indenture. Notwithstanding the foregoing, the Series 2025 Acquisition and Construction Account shall not be closed until after the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2025 Reserve Account shall have been transferred to the Series 2025 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with the First Supplemental Indenture or as otherwise provided therein. The Trustee shall not be responsible for determining the amount in the Series 2025 Acquisition and Construction Account allocable to the Series 2025 Project or any transfers made to such Account in accordance with direction from the District Manager as provided for in the First Supplemental Indenture.

The Trustee shall make no such transfer from the Series 2025 Acquisition and Construction Account to the Series 2025 General Redemption Subaccount if an Event of Default exists with respect to the Series 2025 Bonds, of which the Trustee has actual notice as described in the Master Indenture. Except as provided in the First Supplemental Indenture, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the First Supplemental Indenture shall the Trustee withdraw moneys from the Series 2025 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2025 Acquisition and Construction Account, such Account shall be closed.

Anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the First Supplemental Indenture that the Series 2025 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, and that upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues may not be used by the District (whether to pay costs of the Series 2025 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture; provided, however, notwithstanding anything in the First Supplemental Indenture to the contrary, the Trustee is also authorized to utilize the Series 2025 Pledged Revenues to pay fees and expenses as provided in the Master Indenture.

Reserve Account

The Indenture establishes a separate account within the Debt Service Reserve Fund solely for the benefit of the Series 2025 Bonds designated as the "Series 2025 Reserve Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount of the Series 2025 Reserve Requirement, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided in the Indenture.

"Series 2025 Reserve Requirement" or "Reserve Requirement" shall be (i) initially, an amount equal to the maximum annual debt service on the Series 2025 Bonds as calculated from time to time; (ii) upon the occurrence of the Reserve Release Conditions #1, fifty percent (50%) of the maximum annual debt service on the Series 2025 Bonds as calculated from time to time; and (iii) upon the occurrence of the Reserve Release Conditions #2, ten percent (10%) of the maximum annual debt service on the Series 2025 Bonds as calculated from time to time. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, as applicable, such excess amount shall be released from the Series 2025 Reserve Account and transferred to the Series 2025 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture. For the purpose of calculating the Series 2025 Reserve Requirement, maximum annual debt service, fifty percent (50%) of maximum annual debt service, or ten percent (10%) of maximum annual debt service, as the case may be, shall be recalculated in connection with the extraordinary mandatory redemption described in the First Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2025 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2025 General Redemption Subaccount or the Series 2025 Prepayment Subaccount as applicable, in accordance with the provisions of the First Supplemental Indenture. Amounts on deposit in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds be used to pay principal of and interest on the Series 2025 Bonds at that time. Initially, the Series 2025 Reserve Requirement shall be equal to \$_____.

"Reserve Release Conditions #1" shall mean collectively (i) all of the Outstanding principal amount of the Series 2025 Special Assessments shall have been assigned to lots that have been developed, platted [and conveyed to homebuilders], and (ii) there shall be no Events of Default under the Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

"Reserve Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all of the Outstanding principal portion of the Series 2025 Special Assessments have been assigned to homes that have received a certificate of occupancy and (iii) there shall be no Events of Default under the Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant in the Indenture not to substitute the cash and Investment Securities on deposit in the Series 2025 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2025 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Series 2025 Reserve Requirement resulting from investment earnings to the Series 2025 Acquisition and Construction Account, and, if such Account is closed, to the Series 2025 Revenue Account in accordance with the Master Indenture.

Subject to the provisions of the First Supplemental Indenture, on any date the District receives notice from the District Manager that any landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the District shall calculate, or shall cause the District Manager on behalf of the District to calculate, the principal amount of such Prepayment taking into account a credit against the amount of Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will exceed the Series 2025 Reserve Requirement for the Series 2025 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds are less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached to the First Supplemental Indenture to the District submitted by the Series 2025 Landowner within thirty (30) days of such transfer, which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared, provided the Series 2025 Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the Series 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Series 2025 Landowner, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in the First Supplemental Indenture is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2025 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2025 General Redemption Subaccount and applied to the redemption of Series 2025 Bonds as provided in the First Supplemental Indenture.

It shall be an event of default under the Indenture if at any time the amount in the Series 2025 Reserve Account is less than the Reserve Requirement therefor as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Pledged Revenues

Pursuant to the Indenture, the Trustee shall establish a separate account with the Revenue Fund designated as the "Series 2025 Revenue Account." Series 2025 Special Assessments (except for Prepayments of Series 2025 Special Assessments which shall be identified as such by the District to the

Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account and applied as set forth in the Indenture. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing May 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2025 Sinking Fund Account, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Requirement for the Series 2025 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2025 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless needed to be transferred to the Series 2025 Prepayment Subaccount for the purposes of rounding the principal amount of an Series 2025 Bond subject to extraordinary mandatory redemption pursuant to the First Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund only in Investment Securities (as defined in the Master Indenture). The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2025 Reserve Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Master Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other

income so received shall be deposited in the applicable Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the respective Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. The Trustee may hold moneys held under the Indenture uninvested if the District does not provide written instructions for the investment of such moneys. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes of the following, (a) the Series 2025 Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments."

The Master Indenture will contain the following provisions which, pursuant to the Master Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District will agree in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District will agree in the Master Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) the Trustee shall have the right, but is not obligated to, (i) to the extent permitted by law, vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of

the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed in the Master Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2025 Bonds:

(a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by a Majority Holder of the Series 2025 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2025 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Series 2025 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) [if, at any time after eighteen months following issuance of the Series 2025 Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2025 Special Assessments are levied to secure the Series 2025 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.]

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2025 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Series 2025 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds will be redeemed or if 100% of the Holders of the Series 2025 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Series 2025 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2025 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2025 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Series 2025 Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders of the Series 2025 Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Majority Holder of the Outstanding Series 2025 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the collection of Series 2025 Special Assessments imposed on District Lands in Assessment Area One specially benefited by the Series 2025 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto.

The imposition, levy, and collection of Series 2025 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Sumter County Tax Collector ("Tax Collector") or the Sumter County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect the Series 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Special Assessments to be valid, the Series 2025 Special Assessments must meet two requirements: (1) the benefit from the Series 2025 Project to the lands subject to the Series 2025 Special Assessments must exceed or equal the amount of the Series 2025 Special Assessments, and (2) the Series 2025 Special Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2025 Special Assessments through a variety of methods. Initially, and for undeveloped properties, the District will directly issue annual bills to landowners requiring payment of the Series 2025 Special Assessments and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are developed and platted, the Series 2025 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2025 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a

foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of such Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2025 Special Assessments using the Uniform Method of collection afforded by Chapter 197, Florida Statutes (the "Uniform Method"). The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Special Assessments will be collected together with the County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2025 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Special Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices

to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The

County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby and are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

Concentration of Land Ownership

As of the date hereof, the Landowner owns [all] of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2025 Special Assessments securing the Series 2025 Bonds. Payment of the Series 2025 Special Assessments is primarily dependent upon their timely payment by the Landowner and the other future landowners in Assessment Area One. Non-payment of the Series 2025 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2025 Bonds. See "THE LANDOWNER AND THE DEVELOPMENT MANAGER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Landowner, the Development Manager or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Landowner, the Development Manager and any other landowner to pay the Series 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners

rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2025 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowner, the Development Manager or subsequent landowners will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Neither the Landowner, the Development Manager, nor any other subsequent landowners have any personal obligation to pay the Series 2025 Special Assessments. Neither the Landowner, the Development Manager, nor any subsequent landowners are guarantors of payment of any Series 2025 Special Assessments, and the recourse for the failure of the Landowner, the Development Manager or any subsequent landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2025 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2025 Special Assessments may ultimately depend on the market value of the land subject to the Series 2025 Special Assessments. While the ability of the Landowner, the Development Manager, or subsequent landowners to pay the Series 2025 Special Assessments is a relevant factor, the willingness of the Landowner, the Development Manager or subsequent landowners to pay the Series 2025 Special Assessments, which may also be affected by the value of the land subject to the Series 2025 Special Assessments, is also an important factor in the collection of Series 2025 Special Assessments. The failure of the Landowner, the Development Manager, or subsequent landowners to pay the Series 2025 Special Assessments could render the District unable to collect delinquent Series 2025 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2025 Bonds. The District has not

performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2025 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District, including Assessment Area One. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2025 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowner and the Development Manager. Moreover, the Landowner has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with

respect to such Series 2025 Special Assessment, even though the landowner is not contesting the amount of the Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2025 Bonds

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2025 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2025 Bonds because of the moneys on deposit in the Series 2025 Reserve Account. The ability of the Series 2025 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2025 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2025 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2025 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2025 Special Assessments, the moneys on deposit in the Series 2025 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2025 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Reserve Account" herein for more information about the Series 2025 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2025 Bonds to allow funds on deposit under the Indenture

to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2025 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The [Development Manager] will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2025 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2025 Bonds

may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Series 2025 Project will exceed the net proceeds from the Series 2025 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Series 2025 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2025 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Bonds" for more information.

Although the Development Manager will agree to fund or cause to be funded the completion of the Series 2025 Project regardless of the insufficiency of proceeds from the Series 2025 Bonds and will enter

into a completion agreement with the District as evidence thereof, there can be no assurance that the Development Manager will have sufficient resources to do so. Such obligation of the Development Manager is an unsecured obligation. See "THE LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

There are no assurances that the Series 2025 Project and any other remaining development work associated with Assessment Area One will be completed. Further, there is a possibility that, even if Assessment Area One is developed, the Development Manager may not close on all [or any more] of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area One. The Option Agreement may also be terminated by the Development Manager upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – Land Acquisition and Option Agreement" herein for more information about the Option Agreement. See also "THE LANDOWNER AND THE DEVELOPMENT MANAGER" herein.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Landowner, the timely and successful completion of the Development, the purchase of lots therein by the Development Manager and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2025 Special Assessments by the Landowner or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions," "– Purchase of Series 2025 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments" herein for more information. Payment of Series 2025 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area One of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General

The District is an independent local unit of special-purpose government created in accordance with the Act. The District was established under Ordinance No. 2024-18, which was enacted by the County on May 28, 2024, effective which became effective on May 31, 2024. The District approximately 154.69 gross acres located in unincorporated Sumter County. The District Lands are being developed as a residential community to be known as "[Woodland Crossing]" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Governance

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of an owner of the land within the District.

The current members of the Board and the date of expiration of the term of each member are set forth below:

Name	Title	Term Expires
Milton Andrade*	Chair	November 2028
Brian Walsh*	Vice Chair	November 2028
Kareyann Ellison*	Assistant Secretary	November 2026
Garret Parkinson*	Assistant Secretary	November 2026

* Employee of or affiliated with the Development Manager or its affiliates[; the Board currently has one vacant seat].

A majority of the Supervisors constitutes a quorum for the purposes of conducting the business of the District and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of the majority of the Supervisors present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's "sunshine" or open meetings law.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority: (a) to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, (iv) conservation areas, mitigation areas, and wildlife habitat, (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) to borrow money and issue bonds of the District; (c) to impose and foreclose special assessment liens as provided in the Act; and (d) to exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

Also, pursuant to the Ordinance, the District has been granted special powers pursuant to Sections 190.012(1), 190.012(2)(a) of the Act, as well as Sections 190.012(b) – (f) of the Act if said improvements and each of their specifications are first approved by the County. Such special powers include, but are not limited to, the right to (i) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend,

equip, operate, and maintain additional systems and facilities for parks and facilities for indoor and outdoor recreational, cultural and educational uses; and (ii) construct and maintain a perimeter wall/fence for the District so long as the construction and specifications of the wall/fence are first approved by the County.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances or to grant building permits. These functions are performed by the County, as applicable, acting through their respective Commissions and departments of government.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. Governmental Management Services – Central Florida, LLC, serves as District Manager. The District Manager's corporate office is located at 219 E. Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Kilinski | Van Wyk PLLC, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel; and Governmental Management Services – Central Florida, LLC, Orlando, Florida, serves as Methodology Consultant for the Series 2025 Bonds.

No Outstanding Bond Indebtedness

The District has not previously issued any bonds or other similar debt obligations.

THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2025 PROJECT

Dewberry Engineers Inc. (the "District Engineer") prepared a report entitled Woodland Crossing Community Development District Engineer's Report, dated June 5, 2024, as amended and restated January 23, 2025 (the "Engineer's Report"), which sets forth certain public infrastructure improvements necessary for the development of 534 single-family and townhome lots planned for the District Lands (the "Capital Improvement Plan" or "CIP"). In the Engineer's Report, the District Engineer estimated the total cost of the CIP as set forth therein to be approximately \$22.6 million.

The Capital Improvement Plan is being implemented in phases. The first phase of land development for the Development consists of approximately 93.42 acres, which are planned to contain 296 lots ("Assessment Area One"). The remaining 238 lots will be developed in the future. The portion of the Capital Improvement Plan associated with the development of Assessment Area One is referred to herein as the "Series 2025 Project." The Series 2025 Project consists of clearing and mass grading for all 534 lots planned for the Development, certain offsite improvements and the installation of onsite parcel infrastructure associated with the 296 lots planned for Assessment Area One.

In the Engineer's Report, the District Engineer estimated the total cost of the Series 2025 Project to be \$16,829,890, as more particularly described below.

Assessment Area One Project Description	Estimated Costs
Offsite Improvements	\$ 1,195,000
Stormwater Management	3,927,000
Utilities (Water, Sewer & Street Lighting)	3,511,000
Electrical (Undergrounding)	1,383,000
Roadway	2,258,000
General Condition	135,000
Parks, Amenities and Open Spaces	1,500,000
Consulting Fees (10%)	1,390,900
Contingency (10%)	<u>1,529,990</u>
Total	\$16,829,000

Land development associated with Assessment Area One [commenced] in [_____] 2025 and is expected to be completed by the [_____] quarter of 202[____]. As of February [____], 2025, the Development Manager had spent approximately \$[_____] on hard and soft costs, [including clearing and mass grading of the entire site]. See "THE DEVELOPMENT – Development Plan and Status" herein for more information.

Net proceeds of the Series 2025 Bonds in the approximate amount of \$11.98 million* will be available to the District for the funding and/or acquisition of the Series 2025 Project. See "THE DEVELOPMENT – Development Finance Plan" herein. The [Development Manager] will enter into a completion agreement at closing on the Series 2025 Bonds, whereby it will agree to complete the Series 2025 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District expects to issue additional series of bonds to fund the remaining portions of the Capital Improvement Plan in the future. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES

* Preliminary, subject to change.

2025 BONDS – Additional Bonds" herein for limitations on additional bonds contained in the Indenture. Such bonds, if issued, will be secured by assessments levied on lands that are separate and distinct from Assessment Area One.

The District Engineer has indicated that all engineering permits necessary to construct the Series 2025 Project, which are set forth in the Engineer's Report, have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

See "APPENDIX A: ENGINEER'S REPORT" for more information regarding the above improvements.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Assessment Methodology for Woodland Crossing Community Development District, dated June 11, 2024, as supplemented by the Preliminary Supplemental Assessment Methodology – Assessment Area One, dated as of February 20, 2025 (collectively, the "Assessment Methodology"), which allocates the Series 2025 Special Assessments to the lands within Assessment Area One, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. A copy of the Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2025 Bonds are determined, the Assessment Methodology will be further supplemented to reflect such final terms. Once levied and imposed, the Series 2025 Special Assessments are a first lien on the assessed lands within Assessment Area One until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Assessment Methodology, the Series 2025 Special Assessments are initially levied on the approximately 93.42 gross acres within Assessment Area One, until such time as the lots planned therein are platted. As Assessment Area One is platted, the Series 2025 Special Assessments will be assigned to the platted lots in Assessment Area One in accordance with the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" hereto.

Upon platting of Assessment Area One, the estimated Series 2025 Special Assessments levied and allocated to platted units to pay debt service on the Series 2025 Bonds and the estimated Series 2025 Bond par per unit are expected to be as follows:

Product Type	No. of Units	Net Annual Series 2025 Special Assessments Per Unit*	Series 2025 Bonds Par Debt Per Unit*
Single-Family 50'	202	\$3,217	\$44,997
Single-Family 60'	<u>94</u>	\$3,860	\$53,996
Total	296		

* Preliminary, subject to change. Annual assessments collected via the Uniform Method will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate. Assessment levels reflect landowner contributions. The Development Manager expects, but is not required, to make partial prepayments of the Series 2025 Special Assessments to achieve target assessment levels in the amount of net annual amount of \$1,250 per 50' lot and \$1,500 per 60' lot. The total principal amount of such prepayments is expected to be \$8,660,000 (preliminary, subject to change). See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The District expects to levy assessments to cover its operation and maintenance costs, which are expected to be approximately \$1,100 per unit annually, but such amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District in 2024 was approximately 10.1359 mills; however, such amount is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Sumter County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

The following information is provided by the Landowner and the Development Manager as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Neither the Landowner nor the Development Manager is guaranteeing payment of the Series 2025 Bonds or the Series 2025 Special Assessments.

THE DEVELOPMENT

General Overview

The District encompasses approximately 154.69 gross acres located in unincorporated Sumter County. The District Lands are being developed as a residential community to be known as "[Woodland Crossing]" (the "Development"). At buildout, the Development is planned to contain 534 residential units, together with recreation and amenity areas, parks, and associated infrastructure.

The Development is located along County Road 229, south of County Road 228, and north of State Road 44. The Development lies approximately 1 mile east of Interstate-75, a main transportation artery that provides access to the Florida Turnpike approximately 5 miles to the south. The Development is in close proximity to active-adult community known as The Villages and is intended to capture demand from homebuyers who desire to live nearby but not in The Villages. Set forth below is a map showing the general location of the Development:

The Capital Improvement Plan is being implemented in phases. The first phase of land development for the Development consists of approximately 93.42 acres, which are planned to contain 296 lots ("Assessment Area One"). The remaining 238 lots will be developed in the future.

The Series 2025 Bonds are being issued to finance a portion of the Series 2025 Project. The Series 2025 Bonds will be secured by the Series 2025 Special Assessments, which will initially be levied on the approximately 93.42 acres of land within Assessment Area One. As lots are platted therein, the Series 2025 Special Assessments will be assigned to platted lots on a first platted, first assigned basis as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

Domain Timberlake Multistate, LLC, a Delaware limited liability company (the "Landowner"), is the owner of all of the assessable land in the District, including the land within Assessment Area One. The Landowner has entered into the Construction Agreement (as defined herein) with Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway (the "Development Manager"), pursuant to which the Development Manager will manage the installation of infrastructure improvements in the District. [The Landowner is obligated to reimburse the Development Manager for the associated costs incurred, not funded with the proceeds of the Series 2025 Bonds or any additional bonds, up to the contracted amount and subject to the provisions of the Construction Agreement. In addition, the Landowner has entered into the Option Agreement (as defined herein) with the Development Manager, pursuant to which the Development Manager has the option to purchase all of the developed lots in the District in a series of takedowns. Following acquisition of such lots, the Development Manager is expected to construct residential units within the District for sale to purchasers. "THE DEVELOPMENT – Land Acquisition and the Option Agreement" and "THE LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

Assessment Area One will consist of (i) 202 single-family detached homes on 50' wide lots and (ii) 97 single-family detached homes on 60' wide lots. Single-family homes planned for Assessment Area One will range in size from approximately [] square feet to approximately [] square feet, and starting price points for homes will range from approximately \$[],000 to \$[],000. The target customers for units within the Development are [first-time homebuyers and move-up buyers]. See "– Residential Product Offerings" herein for more information.

Land Acquisition and Option Agreement

The Landowner acquired title to the lands within the District, including Assessment Area One, in February 2024 for approximately \$6,301,200. The District Lands are not subject to a mortgage.

The Landowner has entered into a Construction Agreement dated February 28, 2024 (the "Construction Agreement") with the Development Manager, pursuant to which the Development Manager will manage the installation of infrastructure improvements for the Development and the Landowner is obligated to reimburse the Development Manager for the associated costs incurred, not funded with the proceeds of the Series 2025 Bonds or any additional bonds, up to the contracted amount and subject to the provisions of the Construction Agreement.

The Development Manager and the Landowner entered into an Option Agreement dated February 28, 2025 (the "Option Agreement"). Pursuant to the Option Agreement, the Development Manager has paid the Landowner an option payment of approximately \$4,107,291.31 (the "Option Payment") for the right for the Development Manager to acquire the residential units planned for the District at the following prices: \$51,308.62 per 50' lot in Phase 1 of the Development, \$51,161.70 per 60' lot in Phase 1 of the Development, \$51,434.15 per 50' lot in Phase 2 of the Development and \$50,989.19 per 60' lot in Phase 2 of the

Development, subject to adjustment as set forth in the Option Agreement, including additional monthly option interest payments. The Option Payment is nonrefundable except in accordance with the terms of the Option Agreement and is not applicable as a credit against the lot purchase prices. The initial takedown of [] lots [occurred / is expected to occur] in [] 202[]. Additional takedowns totaling between 29 and 36 lots in Phase 1 are required to occur every quarter thereafter until all lots in Phase 1 (which corresponds to Assessment Area One) have been acquired. The Development Manager has the right to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement at any time upon delivery of written notice to the Landowner. See "BONDOWNERS' RISKS - Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Finance Plan

The Development Manager estimates that the costs of the Series 2025 Project are approximately \$[]. The Series 2025 Project consists of clearing and mass grading for [all 534 lots planned for the Development, certain offsite improvements and the installation of onsite parcel infrastructure associated with the 296 lots planned for Assessment Area One]. As of February [], 2025, the Development Manager had spent approximately \$[] on hard and soft costs, [including clearing and mass grading of the entire site.]

Net proceeds of the Series 2025 Bonds in the approximate amount of \$11.98 million will be available to the District for the funding and/or acquisition of the Series 2025 Project. The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portions of the Series 2025 Project not funded with proceeds of the Series 2025 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development for Assessment Area One commenced in [] 202[] [with mass grading for all 534 lots planned for the Development, which mass grading work is substantially complete.]

Onsite infrastructure installation for the 296 lots planned for Assessment Area One [is underway] and is expected to be completed by [] 202[], and a plat of Assessment Area One is expected to be recorded by [] 202[], at which point the Development Manager [is expected to commence takedowns of lots and] vertical construction and home sales for the Development. Home closings with homebuyers are expected to commence in the [] calendar quarter of 202[].

The Development Manager will serve as [the homebuilder] within the Development [and may also elect to enter into contracts with other homebuilders for the sale of developed lots in the future]. The Development Manager anticipates that approximately [] homes within Assessment Area One will be delivered per annum until buildout. This anticipated absorption is based upon estimates and assumptions made by the Development Manager that are inherently uncertain, though considered reasonable by the Development Manager, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Development Manager. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Residential Product Offerings

The target customers for units within the Development are [first-time homebuyers and move-up buyers]. The following table reflects the Development Manager's current expectations for the homes planned for Assessments Area One, all of which are subject to change:

Product Type	Square Footage	Beds/Baths	Starting Price Points
Single-Family 50'	____-____	_ _ Bedrooms, _ _ Baths	\$____,000
Single-Family 60'	____-____	_ _ Bedrooms, _ _ Baths	\$____,000

Development Approvals

The District Lands have been zoned to allow for development of the Development as described herein. The Development Manager has entered into a Developer's Agreement with the City of Wildwood, Florida, dated September 23, 2024 (the "Development Agreement"), whereby the Development Manager has agreed to make certain infrastructure improvements related to the expansion of water and wastewater lines (the "Utility Improvements") in return for the City's agreement to provide water and wastewater services to the Development. The Development Manager shall be entitled to a credit against the system development charge fees for the cost of the Utility Improvements. The Utility Improvements have an estimated cost of \$[_____] and [are / are not] included in the Series 2025 Project.

[The District Engineer has indicated that all engineering permits necessary to construct the Series 2025 Project have been obtained or are anticipated to be received in due course.] For more information regarding the permitting status of Assessment Area One, see "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2025 PROJECT" herein and "APPENDIX A: ENGINEER'S REPORT" hereto. See also "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein.

Environmental

Phase I Environmental Site Assessments were performed on the District Lands, including the lands within Assessment Area One, on April 15, 2022 and January 8, 2024 (the "ESAs"). The ESAs did not identify any recognized environmental conditions (RECs) within the District. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments are initially levied on the approximately 93.42 gross acres within Assessment Area One, until such time as the lots planned therein are platted. As Assessment Area One is platted, the Series 2025 Special Assessments will be assigned to the platted lots in Assessment Area One in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto.

Upon platting of Assessment Area One, the estimated Series 2025 Special Assessments levied and allocated to platted units to pay debt service on the Series 2025 Bonds and the estimated Series 2025 Bond par per unit are expected to be as follows:

Product Type	No. of Units	Net Annual Series 2025 Special Assessments Per Unit*	Series 2025 Bonds Par Debt Per Unit*
Single-Family 50'	202	\$3,217	\$44,997
Single-Family 60'	<u>94</u>	\$3,860	\$53,996
Total	296		

* Preliminary, subject to change. Annual assessments collected via the Uniform Method will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate. Assessment levels reflect landowner contributions. The Development Manager expects, but is not required, to make partial prepayments of the Series 2025 Special Assessments to achieve target assessment levels in the amount of net annual amount of \$1,250 per 50' lot and \$1,500 per 60' lot. The total principal amount of such prepayments is expected to be \$8,660,000 (preliminary, subject to change). See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The District expects to levy assessments to cover its operation and maintenance costs, which are expected to be approximately \$1,100 per unit annually, but such amount is subject to change. In addition, residents will be required to pay homeowners' association fees, which are currently estimated to be \$[] per year per residential unit and neighborhood association dues of approximately \$[] per unit per quarter, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District in 2024 was approximately 10.1359 mills; however, such amount is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Sumter County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Amenities

The Development will include an amenity center consisting of [a parking area, a clubhouse with restroom facilities and pool, a tot lot, an all-purpose play field and passive parks throughout the Development, which will include benches and walking trails] (collectively, the Amenities"). Construction of the Amenity Center is expected to commence in [] 202[] and to be completed by [] 202[] at an approximate cost of \$[] million, a portion of which is included within the Series 2025 Project. The Amenities will be owned and operated by the District upon completion.

Utilities

Electric utilities will be provided to the Development by [SECO]. Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by [the City of Wildwood]. Internet and cable service will be provided by []. See "APPENDIX A: ENGINEER'S REPORT" attached hereto for more information regarding the ownership and maintenance of utilities within the Development.

Education

The public schools for children residing in the Development are expected to be [], [] and [], which are located approximately [] miles, [] miles and [] miles from the Development, respectively, and which were rated [], [] and [], respectively, by the

Florida Department of Education in 2024. The Sumter County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The following communities have been identified by the Development Manager as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include [_____, _____, _____, and _____]. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Development Manager and Landowner Agreements

The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portions of the Series 2025 Project not funded with proceeds of the Series 2025 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

In addition, [the Landowner and] the Development Manager will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which [the Landowner and] the Development Manager will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by [the Landowner and] the Development Manager, [respectively,] development rights relating the Series 2025 Project. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2025 Special Assessments as a result of the Landowner's, the Development Manager's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits, entitlements and real estate interests necessary to complete the Series 2025 Project or the development of Assessment Area One.

Finally, the Landowner will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area One increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Landowner and the Development Manager are unsecured obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information regarding the Development Manager.

THE LANDOWNER AND THE DEVELOPMENT MANAGER

The Landowner

[To come.]

The Development Manager

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes ("Clayton Properties" or the "Development Manager"), owns all of the land within Assessment Area One and is serving as the development manager and homebuilder for the Development.

The Development Manager has been in the business of building homes since 1956, and its network of builders built over 9,400 homes in 2020. Clayton Properties builds under the following names: Chaffin Communities, Goodall Homes, Summit Homes, Oakwood Homes, Harris Doyle Homes, Brohn Homes, Arbor Homes, Mungo Homes and Highland Homes. Homes in the Development will be built under the name of Highland Homes. In May 2019, the Development Manager acquired the Highland Homes name from Highland Holdings, Inc., a Florida corporation, which was founded in 1996 in Lakeland, Florida, by Robert J. and D. Joel Adams, who remain involved in development operations of the Development Manager. Highland Homes has built more than 13,000 homes in Florida and is currently building in eight counties, encompassing some 38 communities throughout the Central Florida region. Its primary focus is on the first-time homebuyer, with a secondary focus on first- and second-time move up buyers that it addresses in most of its markets. [Highland Homes closed approximately 1,673 homes in 2021 and 1,238 homes in 2022. The Development Manager closed 9,957 homes in 2023 across all of its brands.]

Clayton Properties is wholly owned by Berkshire Hathaway, Inc. ("Berkshire Hathaway"). Berkshire Hathaway stock trades on the New York Stock Exchange under the symbols BRK.A and BRK.B. Berkshire Hathaway is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for Berkshire Hathaway is No-1-14905. Such reports, proxy statements, and other information can be inspected and copied at the Public Reference Section of the SEC, Room 100 F Street, N.E., Washington, D.C. 20549 and at the SEC's internet website at <http://www.sec.gov>. Copies of such materials can be obtained by mail from the Public Reference Section of the SEC at prescribed rates. All documents subsequently filed by Berkshire Hathaway pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Neither the Landowner, nor the Development Manager, nor any of the other individuals or entities listed above is guaranteeing payment of the Series 2025 Bonds or the Series 2025 Special Assessments. None of the entities listed herein, other than the Landowner and the Development Manager, has entered into any agreements in connection with the issuance of the Series 2025 Special Assessments.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2025 Bonds in order that the interest on the Series 2025 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2025 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2025 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2025 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2025 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. Bond

Counsel is further of the opinion that the Series 2025 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the status of interest on the Series 2025 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2025 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the [Development Manager], and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2025 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2025 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2025 Bonds, or the ownership or disposition of the Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2025 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2025 Bonds, (iii) the inclusion of the interest on the Series 2025 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2025 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2025 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2025 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2025 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2025 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2025 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal

amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2025 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2025 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2025 Bonds, or adversely affect the market price or marketability of the Series 2025 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a

credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Series 2025 Project funded by the Series 2025 Bonds, or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2025 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

FINANCIAL STATEMENTS

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2025. Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended [_____, 2025]. The District does not have audited financial statements because the District was recently formed and has not yet met the threshold under State law requiring an audit. The Series 2025 Bonds are not general obligation bonds of the District and are payable solely from the Series 2025 Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Development Manager

There is no litigation of any nature now pending or, to the knowledge of the Development Manager, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Series 2025 Project and the development of Assessment Area One as described herein, materially and adversely affect the ability of the Development Manager to pay the Series 2025 Special Assessments imposed against the land within Assessment Area One owned or under contract by the Development Manager or materially and adversely affect the ability of the Development Manager to perform its various obligations described in this Limited Offering Memorandum.

The Landowner

There is no litigation of any nature now pending or, to the knowledge of the Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Landowner to pay the Series 2025 Special Assessments imposed against the land within Assessment Area One owned by the Landowner or materially and adversely affect the ability of the Landowner to perform any of its obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2025 Bonds had application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District, the Development Manager [and the Landowner] will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX E, for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT" attached hereto. Under certain circumstances, the failure of the District, the Development Manager [or the Landowner, as applicable,] to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

The Development Manager has previously entered into continuing disclosure undertakings pursuant to the Rule with respect to bonds issued by other community development districts. Certain filings required by such prior undertakings to be made by the Development Manager were not timely filed and notice of such late filings was not always provided. The Development Manager anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

[The Landowner has not previously entered into any continuing disclosure obligations pursuant to the Rule. The Landowner anticipates satisfying all disclosure obligations required pursuant to the Disclosure Agreement.]

Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to subsection (d) below. Such notice by the Issuer to the Dissemination Agent shall identify the Listed Event that has occurred, include the text of the disclosure that the Issuer desires to make, contain the written authorization of the Issuer for the Dissemination Agent to disseminate such information, and identify the date the Issuer desires for the Dissemination Agent to disseminate the information (provided that such date is in compliance within the filing dates provided within this Section 6(b)).

(c) Notwithstanding anything contained in Section 6(b) above, each Obligated Person other than the Issuer shall notify the Issuer and the Dissemination Agent of the occurrence of a Listed Event described in subsections (a)(x), (xii), (xiii), (xv), (xvi), or (xvii) that has occurred with respect to such Obligated Person in compliance with the notification and filing requirements provided in Section 6(b).

(d) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall immediately file a notice of such occurrence with each Repository.

7. **Termination of Disclosure Agreement.** This Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all of the Bonds.

8. **Dissemination Agent.** Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the Issuer or the Dissemination Agent, the Issuer agrees to appoint a successor Dissemination Agent or, alternatively, agrees to assume all responsibilities of Dissemination Agent under this Disclosure Agreement for the benefit of the Holders of the Bonds. If at any time there is not any other designated Dissemination Agent, the District shall be deemed to be the Dissemination Agent. The initial Dissemination Agent shall be Governmental Management Services – Central Florida, LLC. The acceptance of such designation is evidenced by the execution of this Disclosure Agreement by a duly authorized signatory of Governmental Management Services – Central Florida, LLC. Governmental Management Services – Central Florida, LLC, may terminate its role as Dissemination Agent at any time upon delivery of sixty (60) days prior written notice to the District and each Obligated Person. The District may terminate the agreement hereunder with the Dissemination Agent at any time upon delivery of sixty (60) days prior written notice to the Dissemination Agent and each Obligated Person.

9. **Amendment; Waiver.** Notwithstanding any other provision of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, acceptable to the Issuer, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule.

Notwithstanding the above provisions of this Section 9, no amendment to the provisions of Section 5(b) hereof may be made without the consent of each Obligated Person, if any.

10. **Additional Information.** Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

11. **Default.** In the event of a failure of the Issuer, the Disclosure Representative, any Obligated Person or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the request of any Participating Underwriter or the Beneficial Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and receipt of indemnity satisfactory to the Trustee, shall), or any beneficial owner of a Bond may

take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer, the Disclosure Representative, any Obligated Person or a Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement by any Obligated Person shall not be deemed a default by the Issuer hereunder and no default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer, the Disclosure Representative, any Obligated Person, or a Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

12. **Duties of Dissemination Agent.** The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement between the District, the Landowner, the Development Manager and such Dissemination Agent. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. The District, each Obligated Person and the Disclosure Representative covenant that they will supply, in a timely fashion, any information reasonably requested by the Dissemination Agent that is necessary in order for the Dissemination Agent to carry out its duties under this Disclosure Agreement. The District, each Obligated Person and the Disclosure Representative acknowledge and agree that the information to be collected and disseminated by the Dissemination Agent will be provided by the District, Obligated Person(s), the Disclosure Representative and others. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the District, any Obligated Person or the Disclosure Representative as thereafter disseminated by the Dissemination Agent. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA Compliant Format.

13. **Beneficiaries.** This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Landowner, the Development Manager, the Dissemination Agent, the Trustee, the Participating Underwriter and the Owners of the Bonds (the Dissemination Agent, the Trustee, Participating Underwriter and Owners of the Bonds being hereby deemed express third party beneficiaries of this Disclosure Agreement), and shall create no rights in any other person or entity.

14. **Tax Roll and Budget.** Upon the request of the Dissemination Agent, the Trustee or any Bondholder, the Issuer, through its District Manager, if applicable, agrees to provide such party with a certified copy of its most recent tax roll provided to the Sumter County Tax Collector and the Issuer's most recent adopted budget.

15. **Governing Law.** The laws of the State of Florida and Federal law shall govern this Disclosure Agreement and venue shall be any state or federal court having jurisdiction in Sumter County, Florida.

16. **Counterparts.** This Disclosure Agreement may be executed in several counterparts and each of which shall be considered an original and all of which shall constitute but one and the same instrument. A scanned copy of the signatures delivered in a PDF format may be relied upon as if the original had been received.

17. **Trustee Cooperation.** The Issuer represents that the Dissemination Agent is a bona fide agent of the Issuer and the Issuer instructs the Trustee to deliver to the Dissemination Agent at the expense of the Issuer, any information or reports readily available to and in the possession of the Trustee that the Dissemination Agent requests in writing.

18. **Binding Effect.** This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to the Landowner, the Development Manager or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successors or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

**AGREEMENT REGARDING THE TRUE-UP AND PAYMENT OF ASSESSMENTS
(SERIES 2025 BONDS)**

THIS AGREEMENT is made and entered into as of this ____ day of March, 2025, by and between:

WOODLAND CROSSING COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being located in Sumter County, Florida, and whose mailing address is c/o Governmental Management Services – Central Florida, LLC, 219 E. Livingston Street, Orlando, Florida 32801 (the “**District**”); and

CLAYTON PROPERTIES GROUP, INC. D/B/A HIGHLAND HOMES, a Tennessee corporation, the primary developer and owner of certain lands within the District, with offices located at 3020 South Florida Avenue, Suite 101, Lakeland, Florida, 33803 (together with its successors and assigns, the “**Landowner**”).

RECITALS

WHEREAS, the District was established by ordinance enacted by the Board of County Commissioners in and for Sumter County, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”), for the purpose of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure improvements within or without the boundary of the District; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, operating and/or maintaining certain public infrastructure, including but not limited to roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Landowner is currently the primary owner and/or developer of certain lands located in Sumter County, Florida (the “**County**”) within the boundaries of the District known as “Assessment Area One” and generally described in the attached **Exhibit A** (the “**Landowner Lands**”); and

WHEREAS, a Final Judgment was issued on August 8, 2024, validating the authority of the District to issue up to \$30,880,000 in aggregate principal amount Woodland Crossing Community

Development District Special Assessment Bonds in one or more series (the “**Bonds**”) to finance the design, acquisition, construction, installation, of community development facilities, services and improvements within and without the boundaries of the District as authorized by the Act and ordinance and as set forth in the *Woodland Crossing Community Development District Engineer’s Report*, dated June 5, 2024, amended and restated January 23, 2025, as may be further amended or supplemented from time to time (the “**Engineer’s Report**”); and

WHEREAS, the District intends to issue \$14,165,000 in aggregate principal amount of Woodland Crossing Community Development District Special Assessment Bonds, (Series 2025 Project) (the “**Series 2025 Bonds**”) for the purpose of financing a portion of the improvements described in the Engineer’s Report as Phase 1, (the “**Series 2025 Project**”); and

WHEREAS, pursuant to District Resolution Nos. 2024-28, 2024-36, and 2025- (the “**Assessment Resolutions**”), the District has imposed special assessments on the Landowner Lands to secure the repayment of the Series 2025 Bonds (the “**Series 2025 Assessments**”); and

WHEREAS, Landowner agrees that all Landowner Lands benefit from the timely design, construction, or acquisition of the improvements that make up the 2025 Project; and

WHEREAS, Landowner agrees that the Series 2025 Assessments which were imposed on the Landowner Lands have been validly imposed and constitute valid, legal and binding liens upon the Landowner Lands, which Series 2025 Assessments remain unsatisfied; and

WHEREAS, to the extent permitted by law, Landowner waives any defect in notice or publication or in the proceedings to levy, impose and collect the Series 2025 Assessments on the Landowner Lands, including the levy and lien of the Series 2025 Assessments; and

WHEREAS, the *Master Assessment Methodology for Woodland Crossing Community Development District*, dated June 11, 2024, as supplemented by the *First Supplemental Assessment Methodology – Assessment Area One for Woodland Crossing Community Development District*, dated February 20, 2025 (together, the “**Assessment Report**”), provides that as lands within the District are platted or re-platted, the allocation of the amounts assessed to and constituting a lien upon Landowner Lands will be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed within the District, which assumptions were provided by Landowner; and

WHEREAS, Landowner intends that the Landowner Lands will be platted, planned and developed based on then-existing market conditions, and the actual densities developed may be at some density less (or more) than the densities assumed in the Assessment Report; and

WHEREAS, the District's Assessment Report anticipates a mechanism by which certain payments will be made to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, the amount of such payments being determined generally by a calculation of the remaining unallocated debt prior to the recording of the final plat or site plan for a parcel or tract, as described in the Assessment Report (which payments shall collectively be referenced as the “**True-Up Payment**”); and

WHEREAS, Landowner and the District desire to enter into an agreement to confirm Landowner's intention and obligation, if required, to make or cause to be made the True-Up Payment related to the Series 2025 Assessments, subject to the terms and conditions contained herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

SECTION 1. RECITALS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. VALIDITY OF ASSESSMENTS. Landowner agrees that the Assessment Resolutions have been legally and duly adopted by the District. Landowner further agrees that the Series 2025 Assessments imposed as a lien by the District on the Landowner Lands are legal, valid, and binding liens running with the land against which assessed until paid, coequal with the liens of all state, county, district, and municipal taxes, and superior in dignity to all other liens, titles, and claims. Landowner hereby waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2025 Assessments.

SECTION 3. PAYMENT OF ASSESSMENTS.

- A. Landowner agrees that to the extent Landowner fails to timely pay all Series 2025 Assessments collected by mailed notice of the District, said unpaid Series 2025 Assessments (including True-Up Payments) may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year or may be foreclosed on as provided for in Florida law.
- B. Landowner agrees that the provisions of this Agreement shall constitute a covenant running with the Landowner Lands and shall remain in full force and effect and be binding upon Landowner, its legal representatives, estates, successors, grantees, and assigns until released pursuant to the terms herein.

SECTION 4. SPECIAL ASSESSMENT REALLOCATION.

- A. ***Assumptions as to the Series 2025 Assessments.*** As of the date of the execution of this Agreement, Landowner has informed the District that Landowner anticipates that a total of 202 single-family 50' units, and 94 single-family 60' units, as more specifically described by unit size/number in the Assessment Report ("**Anticipated Lots**"), will be constructed within the Landowner Lands.
- B. ***Process for Reallocation of Assessments.*** For un-platted tracts, the Series 2025 Assessments will initially be levied on un-platted acreage within the District and will be reallocated as lands are platted ("**Reallocate**" or "**Reallocation**"). In

connection with such platting of acreage, the Series 2025 Assessments imposed on the acreage being platted will be allocated based upon the actual number of units within each product type being platted. In furtherance thereof, at such time as acreage is to be platted, Landowner covenants that such plat shall be presented to the District. The District shall allocate the Series 2025 Assessments to the residential product types being platted and any remaining property in accordance with the Assessment Report and cause such Reallocation to be recorded in the District's Improvement Lien Book.

(i) Landowner covenants to comply, or cause others to comply, with this requirement for the Reallocation. The District agrees that no further action by the Board shall be required. The District's review of the plats shall be limited solely to the Reallocation of Series 2025 Assessments and enforcement of the District's assessment lien. Nothing herein shall in any way operate to or be construed as providing any other plat and plan approval or disapproval powers to the District.

(ii) The purpose of the True-Up calculation is to ensure that the debt from the Series 2025 Bonds will be able to be assigned to at least the Anticipated Lots within the Landowner Lands. Thus, at the time of platting of any portion of the Landowner Lands, or any re-platting thereof, there must be at least the number of Anticipated Lots in the Landowner Lands on which to assign the bond debt. If not, subject to (v) below, the District would require a True-Up Payment from Landowner or the person or entity seeking to file such plat in an amount sufficient to reduce the remaining bond debt to the actual number of lots platted within the Landowner Lands as in the par amount per platted lot as set forth in the Assessment Report.

(iii) The True-Up calculation shall be performed at the time the Landowner Lands are platted.

(iv) If at the time the True-Up calculation is performed, it is determined that fewer than the Anticipated Lots or number of equivalent residential units ("ERUs") are to be platted within the Landowner Lands, a True-Up Payment shall become due and payable by Landowner. Any such True-Up Payment determined to be due by Landowner shall be paid in full prior to approval of the plat. Such True-Up Payment shall be in addition to the regular installment payable for the Landowner Lands owned by Landowner. The District will take all necessary steps to ensure that True-Up Payments are made in a timely fashion to ensure its debt service obligations are met, and in all cases, Landowner agrees that such payments shall be made in order to ensure the District's timely payment of the debt service obligations on the Series 2025 Bonds. The District shall record all True-Up Payments in its Improvement Lien book. If such True-Up Payment is made at least forty-five (45) days prior to an interest payment date on the Series 2025 Bonds, Landowner shall include accrued interest as part of the True-Up Payment to such interest payment date. If such True-Up Payment becomes due within forty-five (45) days of the next interest payment date, accrued interest shall be calculated to the next succeeding interest payment date.

(v) The foregoing is based on the District's understanding with Landowner that Landowner will plat or cause to be platted at least the Anticipated Lots or number of equivalent residential units ("ERUs") within the Landowner Lands as identified in the Assessment Report and Engineer's Report. However, the District agrees that nothing herein prohibits more or fewer than the anticipated residential dwelling units from being platted. In the event Landowner plats fewer than the Anticipated Lots within the Landowner Lands, the Landowner may either make a True-Up Payment or leave unassigned Series 2025 Assessments on un-platted lands within the Landowner Lands, provided the maximum debt allocation per acre as set forth in the Assessment Resolutions and Assessment Report is not exceeded. In no event shall the District collect Series 2025 Assessments pursuant to the Assessment Resolutions in excess of the total debt service related to the 2025 Project, including all costs of financing and interest. The District, however, may collect Series 2025 Assessments in excess of the annual debt service related to the 2025 Project, including all costs of financing and interest, which shall be applied to prepay the Series 2025 Bonds. If the strict application of the True-Up methodology to any Reallocation for any plat pursuant to this paragraph would result in Series 2025 Assessments collected in excess of the District's total debt service obligation for the 2025 Project, the District agrees to take appropriate action by resolution to equitably Reallocate the Series 2025 Assessments.

SECTION 5. ENFORCEMENT. This Agreement is intended to be a method of enforcement of Landowner's obligation to abide by the requirements of the Reallocation of Series 2025 Assessments to platted units, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by either party under this Agreement shall entitle the other party to all remedies available at law or in equity, which shall include, but not be limited to, the right of actual damages (not consequential, special or punitive damages), injunctive relief, and specific performance.

SECTION 6. ASSIGNMENT.

- A. *Agreement Runs with Land*** – This Agreement shall constitute a covenant running with title to the Landowner Lands, binding upon Landowner and its successors and assigns as to the Landowner Lands or portions thereof, and any transferee of any portion of the Landowner Lands as set forth in this Section, except as permitted by subsection 6.B., below, or subject to the conditions set forth in subsection 6.C., below.
- B. *Exceptions*** – Landowner shall not transfer any portion of Landowner Lands to any third party without complying with the terms of subsection 6.C. herein, other than:
- i. Platted and fully developed lots to homebuilders restricted from re-platting;
 - ii. Platted and fully developed lots to end users; and
 - iii. Portions of Landowner Lands which are exempt from assessments to the County, the District, a homeowners' association, or other governmental agencies.

- iv. Any transfer of any portion of Landowner Lands pursuant to subsections (i), (ii) or (iii) listed above shall constitute an automatic release of such portion of Landowner Lands from the scope and effect of this Agreement, provided however that any True-Up Payment owing is paid prior to such transfer.

C. *Transfer Conditions* – Landowner shall not transfer any portion of the Landowner Lands to any third party, except as permitted by Section 6.B. above, without satisfying the following condition (“**Transfer Condition**”): delivering a recorded copy of this Agreement to such third party and satisfying any True-Up Payment that results from any true-up determinations made by the District incident to such transfer. Any transfer that is consummated pursuant to this Section shall operate as a release of Landowner from its obligations under this Agreement as to such portion of the Landowner Lands only arising from and after the date of such transfer and satisfaction of the Transfer Condition including payment of any True-Up Payments due, and the transferee, which by recording or causing to be recorded in the Official Records of Sumter County, the deed transferring such portion to the transferee shall be deemed to assume Landowner’s obligations in accordance herewith and shall be deemed the “Landowner” from and after such transfer for all purposes as to such portion of the Landowner Lands so transferred. Regardless of whether the conditions of this subsection are met, any transferee, other than those specified in subsection 6.B. herein, shall take title subject to the terms of this Agreement.

SECTION 7. RECOVERY OF COSTS AND FEES. In the event either party is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys’ fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 8. NOTICE. All notices, requests, consents, and other communications hereunder (the “**Notices**”) shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or telecopied or hand delivered to the parties, as follows:

Notwithstanding the foregoing, to the extent Florida law requires notice to enforce the collection of assessments placed on property by the District, then the provision of such notice shall be in lieu of any additional notice required by this Agreement.

SECTION 9. AMENDMENT. This Agreement shall constitute the entire agreement between the parties as to the matters set forth herein and may be modified in writing only by the mutual agreement of the parties and with the prior written consent of the Trustee of the Series 2025 Bonds, acting at the direction of the Bondholders owning a majority of the aggregate principal amount of the Series 2025 Bonds then outstanding.

SECTION 10. TERMINATION. This Agreement shall continue in effect until it is rescinded in writing by the mutual assent of the parties, or until the earlier of the date on which the Series 2025 Assessments are fully allocated to platted units. In any event, this Agreement shall be deemed terminated automatically as to any lot sold to an end-user. This Agreement shall also be deemed terminated automatically on the Landowner Lands or portion of the Landowner Lands reflected in a Release of Lien as recorded by the District, so long as conditions for such recorded release are met and are consistent with the terms of this Agreement.

SECTION 11. NEGOTIATION AT ARM'S LENGTH. This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are deemed to have

drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either party.

SECTION 12. BENEFICIARIES. Except as provided below, this Agreement is solely for the benefit of the formal parties herein, and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Except as provided below, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person, corporation, or entity other than the parties hereto any right, remedy, or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants, and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors, and assigns. Notwithstanding the foregoing, the Trustee for the Series 2025 Bonds, on behalf of the Majority Owners (as defined in the First Supplemental Trust Indenture, dated as of [REDACTED]) of the Series 2025 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to cause the District to enforce the Landowner's obligations hereunder. The Trustee has not assumed any obligations hereunder.

SECTION 13. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute or law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 14. APPLICABLE LAW AND VENUE. This Agreement shall be governed by the laws of the State of Florida. The parties agree and consent that proper venue for any dispute arising out of this Agreement, whether in or out of court, shall be in Sumter County, Florida.

SECTION 15. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

SECTION 16. PUBLIC RECORDS. Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, Landowner agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to Section 119.0701, *Florida Statutes*. Developer and Landowner acknowledge that the designated public records custodian for the District is **Governmental Management Services – Central Florida, LLC** (“Public Records Custodian”). Among other requirements and to the extent applicable by law, Developer and Landowner shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except

as authorized by law for the duration of the contract term and following the contract term if Landowner does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of this Agreement, transfer to the District, at no cost, all public records in Developer's or Landowner's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Developer or Landowner, any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements shall be destroyed. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats.

IF DEVELOPER OR LANDOWNER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, *FLORIDA STATUTES*, TO LANDOWNER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE PUBLIC RECORDS CUSTODIAN AT (407) 841-5524, JBURNS@GMSCFL.COM, OR 219 EAST LIVINGSTON STREET, ORLANDO, FLORIDA 32801.

SECTION 17. ANTI-HUMAN TRAFFICKING REQUIREMENTS. Landowner certifies, by acceptance of this Agreement, that neither it nor its principals utilize coercion for labor or services as defined in Section 787.06, *Florida Statutes*. Landowner agrees to execute an affidavit in compliance with Section 787.06(13), *Florida Statutes*.

SECTION B

**AGREEMENT REGARDING THE COMPLETION OF DISTRICT IMPROVEMENTS
(SERIES 2025 BONDS)**

THIS AGREEMENT REGARDING THE COMPLETION OF CERTAIN IMPROVEMENTS (the “**Agreement**”) is made and entered into this ____ day of March 2025, by and between:

WOODLAND CROSSING COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, being located in Sumter County, Florida, and whose mailing address is c/o Governmental Management Services – Central Florida, LLC, 219 E. Livingston Street, Orlando, Florida 32801 (the “**District**”); and

CLAYTON PROPERTIES GROUP, INC. D/B/A HIGHLAND HOMES, a Tennessee corporation, the primary developer and owner of certain lands within the District, with offices located at 3020 South Florida Avenue, Suite 101, Lakeland, Florida, 33803 (together with its successors and assigns, the “**Landowner**”).

RECITALS

WHEREAS, the District was established by ordinance adopted by the Board of County Commissioners in and for Sumter County, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”), for the purpose of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure improvements within or without the boundary of the District; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, operating and/or maintaining certain public infrastructure, including but not limited to roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Landowner is currently the owner of certain lands in Sumter County, Florida, located within the boundaries of the District known as “Assessment Area One” and described in **Exhibit A** (the “**Landowner Lands**”) which is attached hereto and incorporated by reference; and

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities and services within and without the boundaries of the District, which plan is detailed in the *Woodland Crossing Community Development District Engineer’s Report*, dated June 5, 2024, amended and restated January 23, 2025, as may be further amended or supplemented from time to time (the “**Engineer’s Report**”); and

WHEREAS, the District intends to issue \$14,165,000 in aggregate principal amount of Woodland Crossing Community Development District Special Assessment Bonds, Series 2025 (Series 2025 Project) (the “**Series 2025 Bonds**”) for the purpose of financing a portion of the

improvements described in the Engineer’s Report as Phase 1, (the “Series 2025 Project”); and.

WHEREAS, the total cost of the Capital Improvement Plan is estimated to be approximately \$22,611,270, and the total cost of the Series 2025 Project is estimated to be \$16,829,890; and

WHEREAS, a Final Judgment was issued on August 8, 2024, validating the authority of the District to issue up to \$30,880,000 in aggregate principal amount of Woodland Crossing Community Development District Special Assessment Bonds to finance certain improvements and facilities within and without the District boundaries; and

WHEREAS, the District is presently in the process of issuing its \$14,165,000 Woodland Crossing Community Development District Special Assessment Bonds, Series 2025 (Series 2025 Project) (the “**Series 2025 Bonds**”) to finance a portion of the Series 2025 Project; and

WHEREAS, the Series 2025 Project will benefit the Landowner Lands, as described in the District’s *Master Assessment Methodology for Woodland Crossing Community Development District*, dated June 11, 2024, as supplemented by that certain *First Supplemental Assessment Methodology – Assessment Area One for Woodland Crossing Community Development District*, dated February 20, 2025 (together, the “**Assessment Report**”) as well as the Engineer’s Report; and

WHEREAS, in order to ensure that the Series 2025 Project is completed and funding is available in a timely manner to provide for completion, the Landowner will make provision for any additional funds that may be needed in the future for the completion of the Series 2025 Project over and above the Series 2025 Bonds, including, but not limited to, all reasonable and customary administrative, legal, warranty, engineering, permitting or other related soft costs.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the District and the Landowner agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and are incorporated herein by this reference as a material part of this Agreement.

2. COMPLETION OF SERIES 2025 PROJECT. The Landowner and District agree and acknowledge that the District’s proposed Series 2025 Bonds will provide only a portion of the funds necessary to complete the Series 2025 Project. Therefore, as more particularly set forth in paragraphs 2(a) and 2(b) below, the Landowner hereby agrees to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Series 2025 Project which remain unfunded including, but not limited to, all reasonable and customary administrative, legal, warranty, engineering, permitting or other related soft costs (“**Remaining Project**”) whether pursuant to existing contracts, including change orders thereto, or future contracts. While the District may choose to issue a second series of bonds for purposes of

financing a portion of the Remaining Project, nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Project nor shall anything in this Agreement be construed as prohibiting the District from doing so in the future. The District and Landowner hereby acknowledge and agree that the District's execution of this Agreement constitutes the manner and means by which the District has elected to provide any and all portions of the Remaining Project not funded by District bonds or other indebtedness.

(a) When all or any portion of the Remaining Project is the subject of a District contract, the Landowner shall provide funds or cause funds to be provided directly to the District in an amount sufficient to complete the Remaining Project under such contract pursuant thereto, including change orders thereto, upon written notice from the District.

(b) When any portion of the Remaining Project is not the subject of a District contract, the Landowner may choose to: (i) complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed the Remaining Project; or (ii) have the District enter into a contract and proceed under Section 2(a) above, subject, in each case to a formal determination by the District's Board of Supervisors that the option selected by the Landowner will not adversely impact the District, and is in the District's best interests.

(c) Future Bonds – The parties agree that any funds provided by Landowner to fund the Remaining Project may be later payable from, and the District's acquisition of the Remaining Project may be payable from, the proceeds of a future issuance of bonds by the District (i.e., other than the Series 2025 Bonds). Within forty-five (45) days of receipt of sufficient funds by the District for the District's improvements and facilities and from the issuance of such future bonds, the District shall reimburse Landowner in full, exclusive of interest, for the funds and/or improvements provided pursuant to this Agreement; provided, however, that no such obligation shall exist where the Landowner is in default on the payment of any debt service assessments due on any property owned by the Landowner, and, further, in the event the District's bond counsel determines that any such monies advanced or expenses incurred are not properly reimbursable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to reimburse such monies advanced or expenses incurred. Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness – other than the Series 2025 Bonds – to provide funds for any portion of the Remaining Project. The Landowner shall be required to meet its obligations hereunder and complete the Series 2025 Project regardless of whether the District issues any future bonds (other than the Series 2025 Bonds) or otherwise pays the Landowner for any of the Remaining Project. Interest shall not accrue on any amounts owed hereunder. If within five (5) years of the date of this Agreement, the District does not or cannot issue such future bonds, and, thus does not reimburse the Landowner for the funds or improvements advanced hereunder, then the parties agree that the District shall have no reimbursement obligation whatsoever. Notwithstanding the foregoing, the

Landowner acknowledges that at this time the District does not intend to issue additional bonds to finance the Remaining Project.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS

(a) The District and the Landowner agree and acknowledge that the exact location, size, configuration and composition of the Series 2025 Project may change from that described in the Engineer's Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Series 2025 Project shall be made by a written amendment to the Engineer's Report, which shall include an estimate of the cost of the changes. Material changes to the Series 2025 Project shall require the prior written consent of the Trustee acting at the direction of the bondholders holding a majority of the aggregate principal amount of the bonds then outstanding; however such consent is not necessary when the scope, configuration, size and/or composition of the improvements making up the Series 2025 Project are materially changed in response to a requirement imposed by a regulatory agency.

(b) The District and Landowner agree and acknowledge that any and all portions of the Remaining Project which are constructed, or caused to be constructed, by the Landowner shall be conveyed to the District or such other appropriate unit of local government or public utility as is designated in the Engineer's Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government.

(c) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by Landowner of its obligations hereunder is expressly subject to, dependent and conditioned upon: (a) the issuance of the Series 2025 Bonds and use of the proceeds thereof to fund a portion of the Series 2025 Project, and (b) the scope, configuration, size and/or composition of the Series 2025 Project not materially changing without the consent of the Landowner; however, such consent is not necessary and the Landowner must meet its completion obligations when the scope, configuration, size and/or composition of the improvements that make up the Series 2025 Project are materially changed in response to a requirement imposed by a regulatory agency. In the event of a material change to the scope, configuration, size and/or composition of the Series 2025 Project in response to a requirement imposed by a regulatory agency, the Landowner shall not consent to such material change without the prior written consent of the District.

4. DEFAULT AND PROTECTION AGAINST THIRD-PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages (excluding punitive, special or consequential damages) and/or specific performance.

5. ENFORCEMENT OF AGREEMENT. In the event that either of the parties is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Landowner.

7. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Landowner, both the District and the Landowner have complied with all the requirements of law, and both the District and the Landowner have full power and authority to comply with the terms and provisions of this instrument.

9. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Landowner as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Landowner.

10. THIRD-PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the District and the Landowner any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Landowner and their respective representatives, successors, and assigns.

Notwithstanding anything in this Agreement to the contrary, the Trustee for the Series 2025 Bonds shall be a direct third-party beneficiary of the terms and conditions of this Agreement and, acting at the direction of and on behalf of the bondholders owning a majority of the aggregate principal amount of the Series 2025 Bonds outstanding, shall be entitled to cause the District to enforce the Landowner's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations under this Agreement.

11. ASSIGNMENT. Neither the District nor the Landowner may assign this Agreement or any monies to become due hereunder without the prior written approval of the other; provided that such consent shall not be unreasonably withheld by the District in the event of a sale of the majority of the Landowner Lands then owned by the Landowner pursuant to which the unaffiliated purchaser agrees to assume any remaining obligations of the Landowner under this Agreement.

12. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in Sumter County, Florida.

13. EFFECTIVE DATE. This Agreement shall be effective upon the later of the execution by the District and the Landowner.

14. PUBLIC RECORDS. Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, Landowner agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to Section 119.0701, *Florida Statutes*. Developer and Landowner acknowledge that the designated public records custodian for the District is **Governmental Management Services – Central Florida, LLC** (“Public Records Custodian”). Among other requirements and to the extent applicable by law, Developer and Landowner shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the contract term and following the contract term if Landowner does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of this Agreement, transfer to the District, at no cost, all public records in Developer’s or Landowner’s possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Developer or Landowner, any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements shall be destroyed. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats.

IF DEVELOPER OR LANDOWNER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO LANDOWNER’S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE PUBLIC RECORDS CUSTODIAN AT (407) 841-5524, JBURNS@GMSCFL.COM, OR 219 EAST LIVINGSTON STREET, ORLANDO, FLORIDA 32801.

15. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

16. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

18. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

19. ANTI-HUMAN TRAFFICKING REQUIREMENTS. Landowner certifies, by acceptance of this Agreement, that neither it nor its principals utilize coercion for labor or services as defined in Section 787.06, *Florida Statutes*. Landowner agrees to execute an affidavit in compliance with Section 787.06(13), *Florida Statutes*.

20. TERMINATION. This Agreement shall continue in effect until completion of the Remaining Project, as evidenced by a Notice of Completion from the District Engineer.

SECTION C

**AGREEMENT REGARDING THE ACQUISITION OF WORK PRODUCT,
IMPROVEMENTS, AND REAL PROPERTY
(SERIES 2025 BONDS)**

THIS AGREEMENT (“Agreement”) is made and entered into this ____ day of March, 2025, by and between:

WOODLAND CROSSING COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in Sumter County, Florida, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (the “**District**”); and

CLAYTON PROPERTIES GROUP, INC. D/B/A HIGHLAND HOMES, a Tennessee corporation, the primary developer and owner of certain lands within the District, with offices located at 3020 South Florida Avenue, Suite 101, Lakeland, Florida, 33803 (the “**Developer**” and, together with the District, the “**Parties**”).

RECITALS

WHEREAS, the District was established for the purposes of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure, as authorized by Chapter 190, *Florida Statutes*; and

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition, construction, and installation of various infrastructure improvements, facilities, and services (the “**Improvements**”) within and adjacent to the District, and the anticipated cost thereof, as described in that certain *Woodland Crossing Community Development District Engineer’s Report*, dated June 5, 2024, amended and restated January 23, 2025, as may be further amended or supplemented from time to time (the “**Engineer’s Report**”), attached hereto as **Exhibit A** and incorporated herein by reference; and

WHEREAS, the Developer is the owner and/or developer of certain lands located within the boundaries of the District identified in the Engineer’s Report and further described in **Exhibit B** within which a portion of the District Improvements will be located; and

WHEREAS, the District intends to issue \$14,165,000 in aggregate principal amount of Woodland Crossing Community Development District Special Assessment Bonds, Series 2025 (Series 2025 Project) (the “**Series 2025 Bonds**”) for the purpose of financing a portion of the improvements described in the Engineer’s Report as Phase 1, (the “**Series 2025 Project**”); and

WHEREAS, because the Series 2025 Bonds have not yet been issued, the District has not had sufficient monies on hand to allow the District to fund the cost of preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related documents which would allow the timely commencement and completion of construction of the Improvements (the “**Work Product**”); and

WHEREAS, the District acknowledges the Developer's need to have the Improvements constructed in an expeditious and timely manner in order to develop the District lands; and

WHEREAS, the District agrees that it will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the Improvements described in **Exhibit A** until such time as the District has closed on the sale of the 2025 Bonds; and

WHEREAS, to avoid a delay in the commencement of the construction of the Improvements, the Developer has advanced, funded, commenced, and completed and/or will complete certain work to enable the District to expeditiously provide the Improvements; and

WHEREAS, the District desires to commence the acquisition of certain Work Product and the Improvements, and accept assignment of certain agreements regarding the same; and

WHEREAS, in conjunction with the acquisition of the Work Product and/or Improvements, the Developer desires to convey to the District interests in real property sufficient to allow the District to own, operate, maintain, construct, or install the Improvements, if any such conveyances are appropriate, and such conveyances shall be in fee simple, perpetual easement, or other interest as may be in the best interests of the District (the "**Real Property**"); and

WHEREAS, the Developer and the District desire to enter into this Agreement to set forth the process by which the District may acquire the Work Product, Improvements, and/or Real Property.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

SECTION 2. WORK PRODUCT. The District agrees to pay the lesser of actual cost incurred by the Developer or fair market value, for preparation of the Work Product in accordance with the provisions of this Agreement. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Developer for the Work Product. The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (the "**Acquisition Date**"). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement. The District Engineer shall review all evidence of cost and shall certify to the District's Board of Supervisors (the "**Board**") the total actual amount of cost, which, in the District Engineer's sole opinion, is reasonable for the Work Product. The District Engineer's opinion as to cost shall be set forth in an Engineer's Certificate which shall accompany the requisition for the funds from the trustee for the Series 2025 Bonds (the "**Trustee**"). In the event that the Developer disputes the District Engineer's opinion as to cost, the District and the Developer agree to use good faith efforts to

resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third-party engineer whose decision as to any such dispute shall be binding upon the Parties. Such decision by a third-party engineer shall be set forth in an Engineer's Affidavit which shall accompany the requisition for the funds from the Trustee. The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the Improvements.

A. The Developer agrees to convey to the District, and solely to the extent permitted by the terms of the Work Product, the Work Product upon payment of the sums determined to be acceptable by the District Engineer and approved by the District's Board pursuant to and as set forth in this Agreement.

B. The Developer agrees to release to the District all right, title, and interest which the Developer may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights, including all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised; provided, however, that the District agrees and acknowledges that the Developer shall retain the right, title and interest to use the Work Product, and the District shall grant the Developer a license to use the Work Product to the extent reasonably required by the Developer in connection with the ownership, construction, development, and management of the 2025 Project or other lands owned by Developer to which such Work Product pertains. To the extent determined necessary by the District, the Developer shall use commercially reasonable efforts to obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.

C. Except as otherwise separately agreed by the Parties with respect to any particular acquisition of Work Product, and without intending to modify any of the other terms of this Agreement, any conveyance of Work Product shall be on an "AS-IS" basis, and without any representation or warranty from the Developer to the District in respect thereto.

D. The Developer agrees to make reasonable good faith efforts, but without imposing any requirement on Developer to pay for additional warranty rights on behalf of the District, to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, a warranty that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Engineer's Report.

E. The District agrees to allow the Developer access to and use of the Work Product without the payment of any fee by the Developer. However, to the extent the Developer's access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Developer agrees to pay such cost or expense.

SECTION 3. IMPROVEMENTS. The Developer has expended certain funds on behalf of the District relating to the Improvements. The District agrees to acquire or otherwise reimburse the Developer for those portions of the Improvements which have been commenced or completed prior to the issuance of the Series 2025 Bonds. When a portion of the Improvements is ready for conveyance by the Developer to the District, the Developer shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Developer agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid; (ii) instruments of conveyance such as special warranty bills of sale or such other instruments as may be reasonably requested by the District; and (iii) any other releases, indemnifications, or documentation as may be reasonably requested by the District. Any real property interests necessary for the functioning of the Improvements to be acquired under this paragraph shall be reviewed and conveyed in accordance with the provisions of Section 5 herein. The District Engineer in consultation with District Counsel shall determine in writing whether the infrastructure to be conveyed is a part of the Improvements contemplated by the Engineer's Report, and if so, shall provide Developer with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the engineering review and certification process described in Section 2 above. The District Manager shall determine, in writing, whether the District has, based on the Developer's estimate of cost, sufficient unencumbered funds to acquire the improvement.

A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental entity, then the Developer agrees to cooperate and provide such certifications, warranties, representations or other items as may be required by that governmental entity, if any.

B. The District Engineer shall certify as to the actual cost of any improvement built or constructed by or at the direction of the Developer, and the District shall pay no more than the actual cost incurred, or the fair market value of the improvement, whichever is less, as determined by the District Engineer.

C. The Developer agrees to cooperate in the transfer of any permits to the District or another governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.

D. Nothing herein shall require the District to accept any Work Product and/or Improvements unless the District Engineer, in his or her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are as set forth in the Engineer's Report; (ii) the price for such Work Product and/or Improvements is equal to or less than each of (a) the cost actually paid to develop and/or install the Work Product and/or Improvements by the Developer and (b) the reasonable fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with

their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

SECTION 4. ASSIGNMENT OF CONTRACTS. The District may accept the assignment of certain contracts. Such acceptance is predicated upon: (i) each contractor providing a bond in the form and manner required by Section 255.05, *Florida Statutes*, or the Developer providing adequate alternative security in compliance with Section 255.05, *Florida Statutes*, if required; and (ii) receipt by the District of a release from each general contractor acknowledging each assignment and the validity thereof, acknowledging the furnishing of the bond or other security required by Section 255.05, *Florida Statutes*, if any, and waiving any and all claims against the District arising as a result of or connected with such assignment. Until such time as the Series 2025 Bonds are actually issued, the Developer agrees to provide such funds as are needed by the District to make all payments for any such assigned contracts when and as needed by the District.

SECTION 5. CONVEYANCE OF REAL PROPERTY.

A. Conveyance. In the event that real property interests are to be conveyed by the Developer and acquired by the District in connection with the acquisition of the Improvements, and as mutually agreed upon by the District and the Developer, then in such event, the Developer agrees that it will convey to the District at or prior to the Acquisition Date by a special warranty deed, or non-exclusive easement, as reasonably acceptable to the District together with a metes and bounds or other legal description, the Real Property upon which the Improvements are constructed or which are necessary for the operation and maintenance of, and access to the Improvements. The Parties agree that in no event shall the purchase price for the Real Property exceed the lesser of the actual cost to the Developer or the value of an appraisal obtained by the District for this purpose. The Parties agree that the purchase price shall not include amounts attributable to the value of improvements on the Real Property and other improvements serving the Real Property that have been, or will be, funded by the District. The District may determine in its reasonable discretion that fee title is not necessary and in such cases shall accept such other interest in the lands upon which the Improvements are constructed as the District deems reasonably acceptable. Such special warranty deed or other instrument shall be subject to a reservation by Developer of its right and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the development) not inconsistent with the District's use, occupation or enjoyment thereof. The Developer shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the lands upon which the Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the lands upon which the Improvements are constructed until such time as the Developer conveys said lands to the District. At the time of conveyance, the District may require, at Developer's expense, an owner's title insurance policy in a form satisfactory to the District. In the event the title search reveals exceptions to title which render title unmarketable or which, in the District's reasonable

discretion, would materially interfere with the District's use of such lands, the District shall not be required to accept such conveyance of Real Property and/or any related Improvements or Work Product.

B. *Boundary or Other Adjustments.* Developer and the District agree that reasonable future boundary adjustments may be made as deemed necessary and approved by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Developer's ownership; provided, however, that such future boundary adjustments shall not affect the ability of the Developer to have the lots developed. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs.

SECTION 6. TAXES, ASSESSMENTS, AND COSTS.

A. *Taxes and Assessments on Property Being Acquired.* The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to place in escrow with the Sumter County Tax Collector an amount equal to the current ad valorem taxes and non-ad valorem assessments prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.

2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

B. *Notice.* The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes assessments or costs imposed on the property acquired by the District as described in Subsection A above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

C. Tax liability not created. Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

SECTION 7. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS. The District and Developer hereby agree that an acquisition by the District may be completed prior to the District obtaining proceeds from the Series 2025 Bonds (“**Prior Acquisitions**”). The District agrees to pursue the issuance of the Series 2025 Bonds in good faith and, within thirty (30) days from the issuance of such Series 2025 Bonds, to make payment for any Prior Acquisitions completed pursuant to the terms of this Agreement; provided, however, that in the event Bond Counsel determines that any such Prior Acquisitions are not properly compensable for any reason, including, but not limited to, federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Prior Acquisitions. Interest shall not accrue on the amounts owed for any Prior Acquisitions. In the event the District does not or cannot issue the Series 2025 Bonds within five (5) years from the date of this Agreement, and, thus does not make payment to the Developer for the Prior Acquisitions, the Parties agree that the District shall have no reimbursement obligation whatsoever. The Developer acknowledges that the District intends to convey some or all of the Improvements to the State of Florida and Sumter County and consents to the District’s conveyance of such improvements prior to payment for any Prior Acquisitions.

SECTION 8. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance, but excluding special, consequential or punitive damages.

SECTION 9. INDEMNIFICATION. For all actions or activities which occur prior to the date of the acquisition of the relevant Real Property, Improvement or Work Product hereunder, the Developer agrees to indemnify and hold harmless the District and its officers, staff, agents and employees from any and all liability, claims, actions, suits or demands by any person, corporation or other entity for injuries, death, property damage or claims of any nature arising out of, or in connection with, the use by the Developer, its officers, agents, employees, invitees or affiliates, of the Real Property, Improvement, or Work Product, including litigation or any appellate proceedings with respect thereto, irrespective of the date of the initiation or notice of the claim, suit, etc.; provided, however, that the Developer shall not indemnify the District for a default by the District under this Agreement or the use of such Real Property, Improvement or Work Product by the District, its engineers, employees, contractors, or such persons’ or entities’ negligence.

SECTION 10. ENFORCEMENT OF AGREEMENT. In the event that any Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys’ fees, paralegal fees and expert witness fees, and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 11. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the District and the Developer relating to the subject matter of this Agreement.

SECTION 12. AMENDMENTS. This Agreement shall constitute the entire agreement between the Parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all Parties, and with regards to material amendments, with the prior written consent of the Trustee for the 2025 Bonds acting at the direction of the bondholders owning a majority of the aggregate principal amount of the 2025 Bonds then outstanding.

SECTION 13. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer. The District and the Developer have complied with all the requirements of law. The District and the Developer have full power and authority to comply with the terms and provisions of this Agreement.

Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Developer any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns. Notwithstanding the foregoing, nothing in this paragraph shall be construed as impairing or modifying the rights of any bondholders of 2025 Bonds issued by the District for the purpose of acquiring any Work Product, Improvements and/or Real Property. Also, notwithstanding anything herein to the contrary, the Trustee for the 2025 Bonds, on behalf of the owners of the 2025 Bonds, shall be a direct third-party beneficiary acting at the direction of the bondholders owning more than 50% of an aggregate principal amount of the applicable 2025 Bonds then outstanding, be entitled to cause the District to enforce the Developer's obligations hereunder.

This Agreement may be assigned, in whole or in part, by either Party only upon the written consent of the other, which consent shall not be unreasonably withheld, and the Trustee acting on behalf of the Bondholders owning a majority of the aggregate principal amount of the 2025 Bonds then outstanding. Such consent shall not be required in the event of a sale of the majority of the 2025 Project then-owned by the Developer pursuant to which the unaffiliated purchaser agrees to assume any remaining obligations of the Developer under this Agreement. Upon the merger, amendment, or name change of the District, the Agreement will be assumed by operation of law by the District's successor in interest and no consent to such assumption shall be required.

SECTION 18. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each Party consents that the exclusive venue for any litigation arising out of or related

to this Agreement shall be in a court of appropriate jurisdiction, in and for Sumter County, Florida.

SECTION 19. EFFECTIVE DATE. This Agreement shall be effective upon its execution by the District and the Developer.

SECTION 20. TERMINATION. This Agreement may be terminated by the District without penalty in the event that the District does not issue its proposed 2025 Bonds within five (5) years from the date of this Agreement.

NOW, THEREFORE, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor and Assignee agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated as a material part of this Assignment.

2. COLLATERAL ASSIGNMENT.

(a) In the event of Assignor’s default in the payment of the Series 2025 Assessments securing the Series 2025 Bonds, the Assignee shall be entitled to exercise its Remedial Rights to secure control and/or title to the Landowner Lands. Such exercise of Remedial Rights by Assignee may include foreclosure proceedings, acceptance of a deed in lieu of foreclosure and the establishment of a special-purpose entity to hold title to the Landowner Lands, as designee of the Assignee. The Assignor hereby agrees to unconditionally collaterally

assign to Assignee or its designee, to the extent assignable, and to the extent that they are owned or controlled by Assignor, all of its Development and Contract Rights as security for Assignor's payment and performance and discharge of its obligation to pay the Series 2025 Assessments levied against the Landowner Lands. Notwithstanding any contrary terms in this Assignment: the Development and Contract Rights exclude (x) any portion of the Development and Contract Rights which relates solely to lots which have been conveyed to end-users effective as of such conveyance, and (y) any portion of the Development and Contract Rights which relates solely to any portion of the Landowner Lands which has been transferred, dedicated and/or conveyed, or is in the future conveyed, to Sumter County, Florida, Assignee, any utility provider, any governmental or quasi-governmental entity, any applicable homeowner's or property owner's association, or any other governing entity or association as may be required by the applicable permits, approvals, entitlements or regulations affecting the District, if any, and the Development and Contract Rights, in each case effective as of such transfer, conveyance and/or dedication, as applicable (each a "**Prior Transfer**"). Subject to the foregoing, the Development and Contract Rights shall include the items listed in subsections (i) through (ix), but not be limited to, the following:

- i. Any declaration of covenants of a homeowner's association governing the Landowner Lands, as recorded in the Official Records of Sumter County, Florida, and as the same may be amended and restated from time to time, including, without limitation, all of the right, title, interest, powers, privileges, benefits and options of the "Landowner" or "Declarant" thereunder.
- ii. Engineering and construction plans and specifications for grading, traffic capacity analyses, roadways, site drainage, storm water drainage, signage, water distribution, waste water collection, and other improvements to or affecting the Landowner Lands.
- iii. Preliminary and final plats and/or site plans for the Landowner Lands.
- iv. Architectural plans and specifications for buildings and other improvements to the Landowner Lands, other than those associated with homebuilding and home construction.
- v. Permits, approvals, agreements, resolutions, variances, licenses, and franchises and applications therefor whether approved or in process pending before or granted by governmental authorities, or any of their respective agencies, for or affecting the development of the Landowner Lands and construction of improvements thereon.
- vi. Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the development of the Landowner Lands or the construction of improvements thereon, together with all warranties, guaranties and indemnities of any kind or nature associated therewith.

- vii. Franchise or other agreements for the provision of water and wastewater service to the Landowner Lands, and all hookup fees and utility deposits paid by Assignor in connection therewith.
- viii. Permit fees, impact fees, deposits and other assessments and impositions paid by Assignor to any governmental authority or utility and capacity reservations, impact fee credits and other credits due to Assignor from any governmental authority or utility provider, including credit for any dedication or contribution of Landowner Lands by Assignor in connection with the development of the Landowner Lands or the construction of improvements thereon.
- ix. All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing and any guarantees of performance of obligations to Assignor arising thereunder by any means, including, but not limited to, pursuant to governmental requirements, administrative or formal action by third parties, or written agreement with governmental authorities or third parties.

(b) This Assignment is not intended to and shall not impair or interfere with the development of the District, and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development and Contract Rights upon failure of the Assignor to pay the Series 2025 Assessments levied against the Landowner Lands owned by the Assignor, if such failure remains uncured after passage of any applicable cure period; provided, however, that such assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the term of this Assignment. Further, this Assignment is not intended to restrict nor shall it be construed as restricting Assignor's ability to assign Development and Contract Rights in the ordinary course of business, and the Assignor expressly retains the right and a license to use, enforce, sue upon, make claim under and upon and otherwise exercise all rights and remedies of the Assignor related to or arising from the Development and Contract Rights in the event an assignment of Development and Contract Rights under this Assignment becomes effective. However, to the extent the Landowner's exercise of rights set forth above causes the District to incur any cost, the Landowner agrees to pay such cost. Moreover, the Landowner agrees not to exercise any rights provided for herein in a manner adverse to the District's interests.

(c) If this Assignment has not become absolute, any portion not previously terminated and/or property released in connection with a Prior Transfer shall automatically terminate upon the earliest to occur of the following events (herein, the "**Term**"): (i) payment of the Series 2025 Bonds in full; and (ii) Development Completion. At Landowner's request and the District's confirmation that the provisions of the foregoing have been satisfied, District and Landowner will record a notice or other appropriate instrument in the Public Records of Sumter County, Florida, confirming the end of the Term. Without limiting the

foregoing, upon a Prior Transfer, the portion of the Landowner Lands so transferred shall be deemed released automatically from the terms, scope and encumbrance of this Assignment whether or not the Term has expired as to any other portion of the Landowner Lands and without any written release or certification being required from the District or any other person or entity, and any transferee and title examiner may rely on the foregoing automatic release in insuring title to such portion of the Landowner Lands so transferred without making exception for this Assignment.

3. ASSIGNOR WARRANTIES. Assignor represents and warrants to Assignee that:

(a) Other than in connection with the sale of lots to end users located within Landowner Lands and in the ordinary course of business, Assignor has made no assignment of the Development and Contract Rights to any person other than Assignee.

(b) To the actual knowledge of Assignor and except as permitted or stated herein, Assignor has not done any act or omitted to do any act which will prevent Assignee from, or limit Assignee in, acting under any of the provisions hereof.

(c) To the actual knowledge of Assignor, there is no material default under the terms of the existing Contract Documents and all such Contract Documents remain in full force and effect.

(d) Assignor is not prohibited under agreement with any other person or under any judgment or decree from the execution, delivery and performance of this Assignment.

(e) No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of Assignor's obligations herein contained.

(f) Any transfer, conveyance or sale of the Landowner Lands, shall subject any and all affiliated entities or successors-in-interest of the Landowner to this Assignment (including successors-in-interest that are affiliates of Landowner), except to the extent constituting a Prior Transfer.

4. ASSIGNOR COVENANTS. Assignor covenants with Assignee that during the Term:

(a) Assignor will use commercially reasonable efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of Assignor relating to the Development and Contract Rights, including, but not limited to, any material changes in the Development and Contract Rights; and (ii) give notice to Assignee of any claim of material default relating to the Development and Contract Rights given to or by Assignor, together with a complete copy of any such claim.

(b) In the event of the institution of any involuntary bankruptcy, reorganization or insolvency proceedings against the Assignor or the appointment of a receiver or a similar official with respect to all or a substantial part of the properties of the Assignor, Assignor shall endeavor in good faith to have such proceedings dismissed or such appointment vacated within a period of one hundred twenty (120) days.

5. ASSIGNEE OBLIGATIONS. Nothing herein shall be construed as an obligation on the part of the Assignee to accept any liability for all or any portion of the Development and Contract Rights unless it chooses to do so in its sole discretion. Nor shall any provision hereunder be construed to place any liability or obligation on Assignee for compliance with the terms and provisions of all or any portion of the Development and Contract Rights.

6. EVENT(S) OF DEFAULT. Any material breach of the Assignor's warranties contained in Section 3 hereof or breach of covenants contained in Section 4 hereof, shall, after the giving of notice and after failure to cure within a reasonable cure period in light of the default (which cure period shall not be less than sixty (60) days (and shall not be construed to extend any other cure periods provided hereunder) unless Assignee, in its sole discretion, agrees to a longer cure period) constitute an Event of Default ("**Event of Default**"). Additionally, the failure to timely pay the Series 2025 Assessments levied and imposed upon Landowner Lands owned by Assignor shall constitute an Event of Default.

7. REMEDIES UPON EVENT OF DEFAULT. Upon an Event of Default, Assignee or Assignee's designee may, as Assignee's sole and exclusive remedies under this Assignment (and separate and apart from any Remedial Rights or other rights provided by law), take any or all of the following actions, at Assignee's option:

(a) Perform any and all obligations of Assignor relating to the Development and Contract Rights and exercise any and all rights of Assignor therein as fully as Assignor could;

(b) Initiate, appear in, or defend any action arising out of or affecting the Development and Contract Rights;

(c) Sue for, or otherwise collect and receive, monies due under the Contract Documents, including those past due and unpaid, and apply the same against all costs and expenses of collection and then against all costs and expenses of operation of the Landowner Lands or the performance of Assignor's obligations under the Contract Documents. Neither entry upon and taking possession of the Landowner Lands nor the collection of monies due under the Contract Documents shall in any way operate to cure or waive any default under any instrument given by Assignor to Assignee, or prohibit the taking of any other action by Assignee under any such instrument, or at law or in equity, to enforce payment of the obligations secured hereby or to realize on any other security; and/or

(d) Demand, effective upon the occurrence of an Event of Default, and after Assignor's receipt of a demand notice from Assignee following an Event of Default, that Assignor use commercially reasonable efforts: (i) at the sole cost and expense of Assignor, to enforce the performance and observance of each and every material covenant and condition of

the Contract Documents to be performed or observed; and (ii) appear in and defend any action involving the Contract Documents or the obligations or liabilities of Assignor or any guarantor thereunder. Also to be effective upon the occurrence of an Event of Default, and after Assignor's receipt of a demand notice from following an Event of Default, Assignor will neither modify the terms of the Contract Documents in any material respect (unless required so to do by the terms thereof or to comply with documents executed in connection with the issuance of the Series 2025 Bonds) nor waive or release any third party from the performance of any obligation to be performed or liability assumed under the terms of the Contract Documents or from liability on account of any warranty given by such third party, without the prior consent of Assignee, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, Assignor will not at any time knowingly take any action (or omit to take any action) with respect to the Development and Contract Rights that materially and adversely affect the rights of the District or the District's bondholders.

8. AUTHORIZATION OF PERFORMANCE. Upon the occurrence and during the continuation of an Event of Default, Assignor does hereby authorize and shall direct any party to any agreement relating to the Development and Contract Rights to tender performance thereunder to Assignee upon written notice and request from Assignee. Any such performance in favor of Assignee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Assignor.

9. SECURITY AGREEMENT. Subject to the terms of this Assignment, this Assignment shall be a security agreement between Assignor, as the debtor, and Assignee, as the secured party, covering the Development and Contract Rights and Contract Documents that constitute personal property governed by the Florida Uniform Commercial Code ("**Code**"), and Assignor grants to Assignee a security interest in such Development and Contract Rights and Contract Documents. Notwithstanding the foregoing, Assignee shall not be entitled to exercise any right as a secured party, including, without limitation, the filing of any and all financing statements, until the occurrence of an Event of Default hereunder, subject to any applicable notice and cure period.

10. SUCCESSORS; THIRD-PARTY BENEFICIARIES. This Assignment is solely for the benefit of the District and the Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Assignment. Nothing in this Assignment expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Landowner any right, remedy, or claim under or by reason of this Assignment or any of the provisions or conditions of this Assignment; and all of the provisions, representations, covenants, and conditions contained in this Assignment shall inure to the sole benefit of and shall be binding upon the District and the Landowner and their respective representatives, successors, and assigns, subject to the provisions hereof regarding the automatic release of portions of the Landowner Lands therefrom upon a Prior Transfer.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Holders of the Series 2025 Bonds, shall have the right to directly enforce the provisions of this Assignment. The Trustee shall not be deemed to have assumed any obligations under this Assignment. This Assignment may not be assigned or materially amended without the consent

of the Trustee, acting at the direction of the Majority Holders of the Series 2025 Bonds, which consent shall not be unreasonably withheld.

11. ENFORCEMENT. In the event that either party is required to enforce this Assignment by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

12. AMENDMENTS. Amendments to and waivers of the provisions contained in this Assignment may be made only by an instrument in writing which is executed by both the District and the Landowner.

**DECLARATION OF CONSENT TO THE JURISDICTION OF
WOODLAND CROSSING COMMUNITY DEVELOPMENT DISTRICT
AND TO IMPOSITION OF 2025 SPECIAL ASSESSMENTS**

Clayton Properties Group, Inc. d/b/a Highland Homes, a Tennessee corporation (the “**Landowner**”), is the primary owner and/or developer of those lands described in **Exhibit A** attached hereto (the “**Property**”) located within the boundaries of Woodland Crossing Community Development District (the “**District**”). The Landowner, intending that it and its respective successors in interest and assigns shall be legally bound by this Declaration, hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after May 28, 2024, a legally created, duly organized, and validly existing community development district under the provisions of the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the Board of County Commissioners for Sumter County, Florida (the “**County**”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) County Ordinance 2024-18, effective as of May 31, 2024, was duly and properly adopted by the County in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from May 31, 2024, to and including the date of this Declaration.

2. The Landowner understands and acknowledges that the District has adopted Resolution Nos. 2024-28, 2024-36, and 2025- (collectively, the “**Assessment Resolutions**”) that levied and imposed debt service special assessment liens on the Property (together, the “**2025 Assessments**”). Such 2025 Assessments are legal, valid and binding first liens upon the Property, coequal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, until paid. Landowner hereby agrees and acknowledges that the Assessment Resolutions provide that the lien for assessments remains inchoate until the District issues bonds and, without the need for further resolution, the lien attaches at the time of issuance of bonds, including the Series 2025 Bonds hereinafter defined.

3. The Landowner hereby expressly: (i) acknowledges, represents and agrees that the 2025 Assessments, the Assessment Resolutions, and the terms of the financing documents related to the District’s issuance of its \$14,165,000 Woodland Crossing Community Development District Special Assessment Bonds, Series 2025 (Series 2025 Project) (“**Series 2025 Bonds**”), or securing payment thereof (the “**Financing Documents**”), are, to the extent of the Landowner’s obligations thereunder and with respect thereto, valid and binding obligations enforceable in accordance with their terms; (ii) represents that the Landowner has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the 2025 Assessments and/or amounts due under the Financing Documents, and the Landowner expressly waives any such claims, offsets, defenses or counterclaims; (iii) agrees that

the Landowner hereby waives any and all rights, remedies, and other actions now or hereafter contemplated to contest, challenge, or otherwise dispute or objection to the Assessment Resolutions, the 2025 Assessments, the Financing Documents, and all proceedings undertaken by the District in connection therewith; (iv) agrees that the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner's default and agrees that immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*; and (v) acknowledges that, to the extent the Landowner fails to timely pay any special assessments collected by mailed notice of the District, such unpaid special assessments and future special assessments may be placed on the tax roll by the District for collection by the Tax Collector pursuant to section 197.3632, *Florida Statutes*, in any subsequent year.

4. The Landowner hereby waives the right granted in Section 170.09, *Florida Statutes*, to prepay the 2025 Assessments within thirty (30) days after the improvements are completed, without interest, in consideration of, among other things, rights granted by the District to prepay the 2025 Assessments in full at any time, but with interest, under the circumstances set forth in the Assessment Resolutions.

5. This Declaration shall represent a lien of record for purposes of Florida law, including but not limited to Chapter 197, *Florida Statutes*, and Sections 197.552 and 197.573, *Florida Statutes*, among others. Other information regarding the 2025 Assessments is available from the District Manager, Jill Burns, c/o Governmental Management Services – Central Florida, LLC, 219 E. Livingston Street, Orlando, Florida 32801.

THE DECLARATIONS, ACKNOWLEDGEMENTS AND AGREEMENTS CONTAINED HEREIN SHALL RUN WITH THE LAND DESCRIBED IN EXHIBIT A HERETO AND SHALL BE BINDING ON THE LANDOWNERS AND ON ALL PERSONS (INCLUDING BUT NOT LIMITED TO INDIVIDUALS AS WELL AS CORPORATIONS, ASSOCIATIONS, TRUSTS, AND OTHER LEGAL ENTITIES) TAKING TITLE TO ALL OR ANY PART OF THE LAND, AND THEIR SUCCESSORS IN INTEREST, WHETHER OR NOT THE LAND IS PLATTED AT SUCH TIME. BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE DEEMED TO HAVE CONSENTED AND AGREED TO THE PROVISIONS OF THIS DECLARATION TO THE SAME EXTENT AS IF THEY HAD EXECUTED IT AND BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE ESTOPPED FROM CONTESTING, IN COURT OR OTHERWISE, THE VALIDITY, LEGALITY AND ENFORCEABILITY OF THIS DECLARATION.

Effective the ____ day of March, 2025.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

ATTACHMENT I

Section 1 Scope of Services of FMS: FMS proposes that its duties as Underwriter shall be limited to the following:

1. To provide advice to the Issuer on the structure, timing and terms of the Bonds;
2. To coordinate the financing process;
3. To conduct due diligence;
4. To assist in the preparation of an offering memorandum;
5. To review the assessment methodology and Bond documents;
6. To market and offer Bonds to investors.

Section 2 Terms and Conditions:

1. Underwriter Fee (“Underwriting Fee”). FMS shall act as sole lead underwriter. The Underwriting Fee to FMS for acting as Underwriter shall be 2% of the par amount of any Bonds issued. The Underwriting Fee shall be due and payable only upon the closing of the Bonds. The Underwriting Fee may be modified pursuant to a bond delegation or award resolution approved by the Board and consented to by the Underwriter.
2. Price and Interest Rates: The offering price and interest rates are expected to be based on recent comparable transactions in the market, if any. FMS and the Issuer will jointly determine the offering price and interest rates immediately prior to the start of the order period, based on market conditions then prevailing.
3. Bond Purchase Agreement. The obligations of the Underwriter and those of the Issuer would be subject to the satisfactory completion of due diligence and to the customary representations, warranties, covenants, conditions, including provisions respecting its termination contained in the form of a bond purchase agreement FMS will prepare and as generally used in connection with the offering of Bonds for this type of transaction.
4. Costs of Issuance. The Issuer shall be responsible for the payment of all expenses relating to the offering, including but not limited to, attorney fees, consultant fees, costs associated with preparing offering documents, if any, the purchase agreement, regulatory fees and filing fees and expenses for qualification under blue sky laws designated by FMS and approved by the Issuer.
5. Assumptions. The proposed terms and statements of intention set forth in this attachment are based on information currently available to FMS about the Issuer and the market for special assessment bonds similar to the Bonds and the assumptions that:

- a) the financial condition and history of the project shall be substantially as understood, and the financial information for the relevant and appropriate period ended to be included in the final offering memorandum will not vary materially from those set forth in the material furnished to FMS;
 - b) no adverse developments shall occur which materially and adversely affect the underlying security and financial condition of the Issuer and the primary landowner and developer;
 - c) the offering memorandum will comply with all applicable laws and regulations;
 - d) there will not be any unanticipated substantial delays on the part of the Issuer in completing the transaction; and
 - e) all conditions of the Underwriter to purchase Bonds will be included in the bond purchase agreement and conditions shall be satisfied or waived, in the sole discretion of the Underwriter.
6. Information. The Issuer agrees to reasonably and actively assist FMS in achieving an underwriting that is satisfactory to FMS and the Issuer. To assist FMS in the underwriting the Issuer will (a) provide and cause the Issuer's staff and its professionals to provide FMS upon request with all information reasonably deemed necessary by FMS to complete the underwritings, included but not limited to, information and evaluations prepared by the Issuer and its advisors and the primary landowner and developer; and (b) otherwise assist FMS in its underwriting efforts.
7. Term of Engagement. The term of our engagement shall commence as of the date the covering letter is executed by the Issuer and continue in full force and effect unless terminated by either party. In event of termination by the Issuer without cause, FMS shall be entitled to recover its reasonable out of pocket expenses incurred up to the date of termination.
8. No Commitment. Notwithstanding the foregoing, nothing herein shall constitute an agreement to provide a firm commitment, underwriting or placement or arrangement of any securities by FMS or its affiliates. Any such commitment, placement or arrangement shall only be made a part of an underwriting agreement or purchase agreement at the time of the sale of the Bonds.

The engagement contemplated hereby is solely for the benefit of the Issuer and FMS and their respective successors, assigns and representatives and no other person or entity shall acquire or have any right under or by virtue hereof.

This engagement contains the entire understanding of the parties relating to the transactions contemplated hereby and supersedes all prior agreements, understandings and negotiations with respect thereto.

9. No Financial Advisor. FMS's role is limited to that of an Underwriter and not a financial advisor or municipal advisor.

ATTACHMENT II

MSRB Rule G-17 Disclosure --- The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the “Underwriter”) and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the ‘Bonds’). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer’s interest in this transaction.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.
- The Underwriter’s primary role is to purchase the Bonds in an arm’s-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter’s compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

Notes: (1) Provide supplemental execution by any additional parties, such as joint venturers. (2) Any singular reference to Contractor, Surety, Owner, or other party is considered plural where applicable.

1. The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to the Owner for the performance of the Construction Contract, which is incorporated herein by reference.
2. If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except when applicable to participate in a conference as provided in Paragraph 3.
3. If there is no Owner Default under the Construction Contract, the Surety's obligation under this Bond will arise after:
 - 3.1. The Owner first provides notice to the Contractor and the Surety that the Owner is considering declaring a Contractor Default. Such notice may indicate whether the Owner is requesting a conference among the Owner, Contractor, and Surety to discuss the Contractor's performance. If the Owner does not request a conference, the Surety may, within five (5) business days after receipt of the Owner's notice, request such a conference. If the Surety timely requests a conference, the Owner shall attend. Unless the Owner agrees otherwise, any conference requested under this Paragraph 3.1 will be held within ten (10) business days of the Surety's receipt of the Owner's notice. If the Owner, the Contractor, and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement does not waive the Owner's right, if any, subsequently to declare a Contractor Default;
 - 3.2. The Owner declares a Contractor Default, terminates the Construction Contract and notifies the Surety; and
 - 3.3. The Owner has agreed to pay the Balance of the Contract Price in accordance with the terms of the Construction Contract to the Surety or to a contractor selected to perform the Construction Contract.
4. Failure on the part of the Owner to comply with the notice requirement in Paragraph 3.1 does not constitute a failure to comply with a condition precedent to the Surety's obligations, or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.
5. When the Owner has satisfied the conditions of Paragraph 3, the Surety shall promptly and at the Surety's expense take one of the following actions:
 - 5.1. Arrange for the Contractor, with the consent of the Owner, to perform and complete the Construction Contract;
 - 5.2. Undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;
 - 5.3. Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Owner and a contractor selected with the Owners concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Paragraph 7 in excess of the Balance of the Contract Price incurred by the Owner as a result of the Contractor Default; or

I.G.

Bond Number Assigned by Surety:

- 5.4. Waive its right to perform and complete, arrange for completion, or obtain a new contractor, and with reasonable promptness under the circumstances:
 - 5.4.1 After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, make payment to the Owner; or
 - 5.4.2 Deny liability in whole or in part and notify the Owner, citing the reasons for denial.
6. If the Surety does not proceed as provided in Paragraph 5 with reasonable promptness, the Surety shall be deemed to be in default on this Bond seven days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Paragraph 5.4, and the Owner refuses the payment, or the Surety has denied liability, in whole or in part, without further notice, the Owner shall be entitled to enforce any remedy available to the Owner.
7. If the Surety elects to act under Paragraph 5.1, 5.2, or 5.3, then the responsibilities of the Surety to the Owner will not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety will not be greater than those of the Owner under the Construction Contract. Subject to the commitment by the Owner to pay the Balance of the Contract Price, the Surety is obligated, without duplication for:
 - 7.1. the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;
 - 7.2. additional legal, design professional, and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Paragraph 5; and
 - 7.3. liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.
8. If the Surety elects to act under Paragraph 5.1, 5.3, or 5.4, the Surety's liability is limited to the amount of this Bond.
9. The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price will not be reduced or set off on account of any such unrelated obligations. No right of action will accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators, successors, and assigns.
10. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders, and other obligations.
11. Any proceeding, legal or equitable, under this Bond must be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and must be instituted within two years after a declaration of Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum periods of limitations available to sureties as a defense in the jurisdiction of the suit will be applicable.
12. Notice to the Surety, the Owner, or the Contractor must be mailed or delivered to the address shown on the page on which their signature appears.
13. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said

17. The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to the Owner to pay for labor, materials, and equipment furnished for use in the performance of the Construction Contract, which is incorporated herein by reference, subject to the following terms.
18. If the Contractor promptly makes payment of all sums due to Claimants, and defends, indemnifies, and holds harmless the Owner from claims, demands, liens, or suits by any person or entity seeking payment for labor, materials, or equipment furnished for use in the performance of the Construction Contract, then the Surety and the Contractor shall have no obligation under this Bond.
19. If there is no Owner Default under the Construction Contract, the Surety's obligation to the Owner under this Bond will arise after the Owner has promptly notified the Contractor and the Surety (at the address described in Paragraph 13) of claims, demands, liens, or suits against the Owner or the Owner's property by any person or entity seeking payment for labor, materials, or equipment furnished for use in the performance of the Construction Contract, and tendered defense of such claims, demands, liens, or suits to the Contractor and the Surety.
20. When the Owner has satisfied the conditions in Paragraph 3, the Surety shall promptly and at the Surety's expense defend, indemnify, and hold harmless the Owner against a duly tendered claim, demand, lien, or suit.
21. The Surety's obligations to a Claimant under this Bond will arise after the following:
 - 21.1. Claimants who do not have a direct contract with the Contractor
 - 121..1. have furnished a written notice of non-payment to the Contractor, stating with substantial accuracy the amount claimed and the name of the party to whom the materials were, or equipment was, furnished or supplied or for whom the labor was done or performed, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the Claim; and
 - 121..2. have sent a Claim to the Surety (at the address described in Paragraph 13).
 - 21.2. Claimants who are employed by or have a direct contract with the Contractor have sent a Claim to the Surety (at the address described in Paragraph 13).
22. If a notice of non-payment required by Paragraph 5.1.1 is given by the Owner to the Contractor, that is sufficient to satisfy a Claimant's obligation to furnish a written notice of non-payment under Paragraph 5.1.1.
23. When a Claimant has satisfied the conditions of Paragraph 5.1 or 5.2, whichever is applicable, the Surety shall promptly and at the Surety's expense take the following actions:
 - 23.1. Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the Claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and
 - 23.2. Pay or arrange for payment of any undisputed amounts.
 - 23.3. The Surety's failure to discharge its obligations under Paragraph 7.1 or 7.2 will not be deemed to constitute a waiver of defenses the Surety or Contractor may have or acquire as to a Claim,

except as to undisputed amounts for which the Surety and Claimant have reached agreement. If, however, the Surety fails to discharge its obligations under Paragraph 7.1 or 7.2, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs thereafter to recover any sums found to be due and owing to the Claimant.

24. The Surety's total obligation will not exceed the amount of this Bond, plus the amount of reasonable attorney's fees provided under Paragraph 7.3, and the amount of this Bond will be credited for any payments made in good faith by the Surety.
25. Amounts owed by the Owner to the Contractor under the Construction Contract will be used for the performance of the Construction Contract and to satisfy claims, if any, under any construction performance bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfying obligations of the Contractor and Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.
26. The Surety shall not be liable to the Owner, Claimants, or others for obligations of the Contractor that are unrelated to the Construction Contract. The Owner shall not be liable for the payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligation to make payments to or give notice on behalf of Claimants, or otherwise have any obligations to Claimants under this Bond.
27. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders, and other obligations.
28. No suit or action will be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the state in which the project that is the subject of the Construction Contract is located or after the expiration of one year from the date (1) on which the Claimant sent a Claim to the Surety pursuant to Paragraph 5.1.2 or 5.2, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit will be applicable.
29. Notice and Claims to the Surety, the Owner, or the Contractor must be mailed or delivered to the address shown on the page on which their signature appears. Actual receipt of notice or Claims, however accomplished, will be sufficient compliance as of the date received.
30. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement will be deemed deleted here from and provisions conforming to such statutory or other legal requirement will be deemed incorporated herein. When so furnished, the intent is that this Bond will be construed as a statutory bond and not as a common law bond.
31. Upon requests by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor and Owner shall promptly furnish a copy of this Bond or shall permit a copy to be made.

**ADDENDUM TO CONTRACT
WOODLAND CROSSING COMMUNITY DEVELOPMENT DISTRICT
(WOODLAND CROSSING PHASE 1)**

1. **ASSIGNMENT.** This Addendum ("**Addendum**") applies to that certain *Agreement between Owner and Contractor for Construction Contract (Stipulated Price) - Woodland Crossing Phase 1* dated ~~DECEMBER 10~~, 2024 ("**Contract**") between the Clayton Properties Group, LLC ("**Developer**") and Hughes Brothers Construction, Inc. ("**Contractor**"), which Contract was assigned to the District simultaneous with the execution of this Addendum. To the extent the terms of the Contract conflict with this Addendum, the terms of this Addendum shall control.

2. **PAYMENT AND PERFORMANCE BONDS; NO LIEN RIGHTS.** Before commencing the work, and consistent with the requirements of Section 255.05, *Florida Statutes*, the Contractor shall execute, deliver to the District, and record in the public records of Sumter County, Florida, a payment and performance bond with a surety insurer authorized to do business in this state as surety or, to the extent permitted by the District in its sole discretion, provide an alternative form of security as authorized under Section 255.05, *Florida Statutes*. The cost of such bond shall be added to Contractor's proposal and shall be invoiced to the District. Such bond and/or security shall be for 100% of the project cost and shall be in effect for a full year from the time of completion of the project. Contractor agrees that the District is a local unit of special-purpose government and not an "Owner" as defined in Section 713.01(23), *Florida Statutes*. Therefore, notwithstanding anything in the Contract to the contrary, there are no lien rights available to any person providing materials or services for improvements in connection with the project. Contractor shall notify any subcontractors, material suppliers or others claiming interest in the work of the existence of the payment and performance bond.

3. **INSURANCE.** In addition to the existing additional insureds under the Contract, the District, its officers, supervisors, agents, attorneys, engineers, managers, and representatives also shall be named as additional insureds under the insurance provided pursuant to the Contract. Contractor shall furnish the District with the Certificate of Insurance evidencing compliance with this requirement. No certificate shall be acceptable unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the State of Florida. If Contractor fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, Contractor shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

4. **LOCAL GOVERNMENT PROMPT PAYMENT ACT.** Notwithstanding any other provision of the Contract, all payments to the Contractor shall be made in a manner consistent with the Local Government Prompt Payment Act, Sections 218.70 through 218.80, *Florida Statutes*.

A. Contractor shall make payments due to subcontractors and materialmen and laborers within ten (10) days in accordance with the prompt payment provisions contained in Section 218.735(6), 218.735(7), and 218.74, *Florida Statutes*.

B. All payments due and not made within the time prescribed by Section 218.735, *Florida Statutes*, bear interest at the rate of two percent (2%) per month on the unpaid balance in accordance with Section 218.735(9), *Florida Statutes*.

C. Owner shall make payment to the Contractor in the amount recommended by Engineer (subject to the provisions of this Contract) in accordance with the prompt payment provisions contained in Sections 218.70 et seq., Florida Statutes.

D. To the extent paragraph 15.03 of the General Conditions is inconsistent in any way with Florida's Local Government Prompt Payment Act, sections 218.70 et seq., Florida Statutes, such Act shall control, and this Contract shall be construed to allow for the maximum amount of time allowable under the Act in order to review any punch lists and make payment.

5. RETAINAGE. The following provision addresses the holding of retainage under the Contract:

Five percent (5%) of the amount of each progress payment shall be withheld as retainage until final completion of the Work, acceptance of the Work by the Owner, satisfaction of all punch list requirements, and submission of all required documents, subject to any offsets to which the Owner is entitled. Procedures for withholding and release of retainage shall be in accordance with Florida law, including sections 218.735 and 255.078, *Florida Statutes*.

6. INDEMNIFICATION. Contractor's indemnification, defense, and hold harmless obligations under the Contract shall continue to apply to the original indemnitees and shall further include the District and its supervisors, consultants, agents, attorneys, managers, engineers and representatives (together, the "Indemnitees"). To the extent that a maximum limit for indemnification is required by law, and not otherwise set forth in the Contract, the indemnification limit shall be the greater of the limits of the insurance amounts set forth in the Contract or Five Million Dollars (\$5,000,000), which amounts Contractor agrees are reasonable and enforceable, and were included as part of the bid and/or assignment documents. The Contractor's obligations hereunder are intended to be consistent with all provisions of applicable law, and to the extent found inconsistent by a court of competent jurisdiction, the Contract shall be deemed amended and/or reformed consistent with the intent of this paragraph and such that the obligations apply to the maximum limits of the law.

7. TAX-EXEMPT DIRECT PURCHASES. The parties agree that the District may in its sole discretion elect to undertake a direct purchase of any or all materials incorporated into the work performed according to the Contract. In such event, the following conditions shall apply:

- a. Upon assignment of this Contract to the District, Owner shall be a governmental entity exempt from Florida sales and use tax, and will provide Contractor with a copy of its Consumer Exemption Certificate. Owner may elect to implement a direct purchase arrangement whereby Owner will directly acquire certain materials ("Direct Purchase Materials") necessary for the completion of the Work directly from the suppliers to take advantage of Owner's tax-exempt status.
- b. Within 10 days of the issuance of the Notice to Proceed or other written authorization for Work, Owner shall provide Contractor with a list of materials that will be treated as Direct Purchase Materials.
- c. Owner shall issue purchase orders directly to suppliers of Direct Purchase Materials. Such purchase orders shall include Owner's consumer certificate of exemption number and shall require that the supplier provide the required shipping and handling insurance and provide for delivery with title and risk of loss transferring upon delivery at the jobsite and after acceptance by Owner. Corresponding change orders shall be executed at the time of the direct purchase to reflect the direct purchases made by the Owner and if the original

contract contemplated sale of materials and installation by same person, the change order needs to reflect sale of materials and installation by different legal entities.

1. Owner will be entitled to a reduction in the Lump Sum Bid amount provided in Section 5.01.A. in an amount equal to the actual Unit Cost of all Direct Purchased Materials, together with the applicable sales tax related to such Unit Cost included as part of Contractor's bid.
- d. Owner shall issue a Certificate of Entitlement to each supplier of Direct Purchase Materials, and furnish a copy of same to the Contractor. Each Certificate of Entitlement must have attached thereto the corresponding purchase order. Each Certificate of Entitlement shall acknowledge that if the Department of Revenue determines the purchase is not a tax-exempt purchase by a governmental entity, then the governmental entity will be responsible for any tax, penalties and interest determined to be due. Each Certificate of Entitlement shall affirm that (1) the attached purchase order is being issued directly to the vendor supplying the tangible personal property the Contractor will use in the identified public works; (2) the vendor's invoice will be issued directly to the governmental entity; (3) payment of the vendor's invoice will be made directly by the governmental entity to the vendor from public funds; (4) the governmental entity will take title to the tangible personal property from the vendor at the time of delivery by the vendor; and (5) the governmental entity assumes the risk of damage or loss at the time of delivery by the vendor.
- e. Upon delivery of the Direct Purchase Materials to the jobsite, the Owner, through Contractor as its agent, shall inspect the materials and invoices to determine that they conform to the purchase order. If the materials conform, Owner shall accept and take title to the Direct Purchase Materials through its agent, which is Contractor.
- f. Suppliers shall issue invoices directly to Owner. Owner shall process invoices and issue payment directly to the suppliers.
- g. Upon acceptance of Direct Purchase Materials, Owner shall assume risk of loss of same until they are incorporated into the Project. Contractor, as Owner's agent, shall be responsible for safeguarding all Direct Purchase Materials and for obtaining and managing all warranties and guarantees for all material and products as required under the Contract Documents. All warranties provided by Contractor as part of Contract shall apply to all Direct Purchase Materials, as though Contractor had purchased the Direct Purchase Materials.

8. PUBLIC RECORDS. The Contractor agrees and understands that Chapter 119, *Florida Statutes*, may be applicable to documents prepared in connection with the services provided hereunder and agrees to cooperate with public record requests made thereunder. In connection with this Contract, Contractor agrees to comply with all provisions of Florida's public records laws, including but not limited to Section 119.0701, *Florida Statutes*, the terms of which are incorporated herein. Among other requirements, Contractor must:

- a. Keep and maintain public records required by the District to perform the service.

- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the

contract term and following completion of the Agreement if the Contractor does not transfer the records to the District.

- d. Upon completion of this Agreement, transfer, at no cost, to the District all public records in possession of the Contractor or keep and maintain public records required by the District to perform the service. If the Contractor transfers all public records to the District upon completion of this Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the District, upon request from the District's custodian of public records, in a format that is compatible with the information technology systems of the District.

3. Contractor's business address is 948 WALKER ROAD, WILLOWOOD, FL 34785

The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.
8. I understand that a "person" as defined in Section 287.133(1)(e), *Florida Statutes* any natural person or any entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts let by a public entity, or which otherwise transacts or applies to transact business with a public entity. ☐ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members or agents who are active in management of the entity or an affiliate of the entity, has been charged with and convicted of a public entity crime subsequent to July 1, 1989, AND (please indicate which additional statement applies):

☐ There has been a proceeding concerning the conviction before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. ☐ The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before an Administrative Law Judge of the State of Florida, Division of Administrative Hearings. The final order entered by the Administrative Law Judge determined that it was in the public interest to remove the person or affiliate from the convicted vendor list. (Please attach a copy of the final order.)

☐ The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by or pending with the Florida Department of Management Services.)

IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR/VENDOR EXECUTING THIS PUBLIC ENTITY CRIME AFFIDAVIT TO VERIFY THAT NONE OF THE SUBCONTRACTORS/SUPPLIERS UTILIZED FOR THIS BID/QUOTE HAVE BEEN CONVICTED OF A PUBLIC ENTITY CRIME SUBSEQUENT TO JULY 1, 1989. IN THE EVENT IT IS LATER DISCOVERED THAT A SUBCONTRACTOR/SUPPLIER HAS BEEN CONVICTED OF A PUBLIC ENTITY CRIME, THE CONTRACTOR/VENDOR SHALL SUBSTITUTE THE SUBCONTRACTOR/ SUPPLIER WITH ANOTHER WHO HAS NOT RECEIVED A CONVICTION.
